Jeanne R. Wade

Joanne,
You are really a great girl! We've had some good times up in Geometry. Stay sweet, always.
Your friend,
Mel

Joanne,
I'll never forget you as long as I live! You have to be the absolute most crazy person at Airline high school! I'll bet you'll be a riot on the stage, I'll kill you. You have made this year really great and fun for me. You were always lively at least, and full of fun ideas! You're the best pairs in the world!
Luck,
Cheri

Joanne,
Hi. I've always liked you and you know it. You are good with the baton, although at times you may have been discouraged, I hope you had fun on the majorette line. You are so funny and unassuming. That's why we are good friends, I guess. Thanks for all the good times I've had around A-H-S. Be sure and keep things up and keep your sense of humor around (especially at SR. prac. when you need it most!) Bi-Bi, Love Bonnie Outlaw

REFLECTIONS

This, Airline High School's tenth year of existence, saw reflections of past accomplishments and growth. Airline had not only grown in its population, but also in its unconquerable valor.

Airline's first decade ended with a year of total involvement in all activities. Learning and its advantages were stressed by everyone, and its influences were reflected in academic accomplishments.

The faculty and administration had seen new faces and new ideas appear each year. With these came the growing concern for the betterment of our school. Everyone helped to achieve that goal.

This tenth year reflected a decade of pride, loyalty, and love for all who had entered Airline High School.

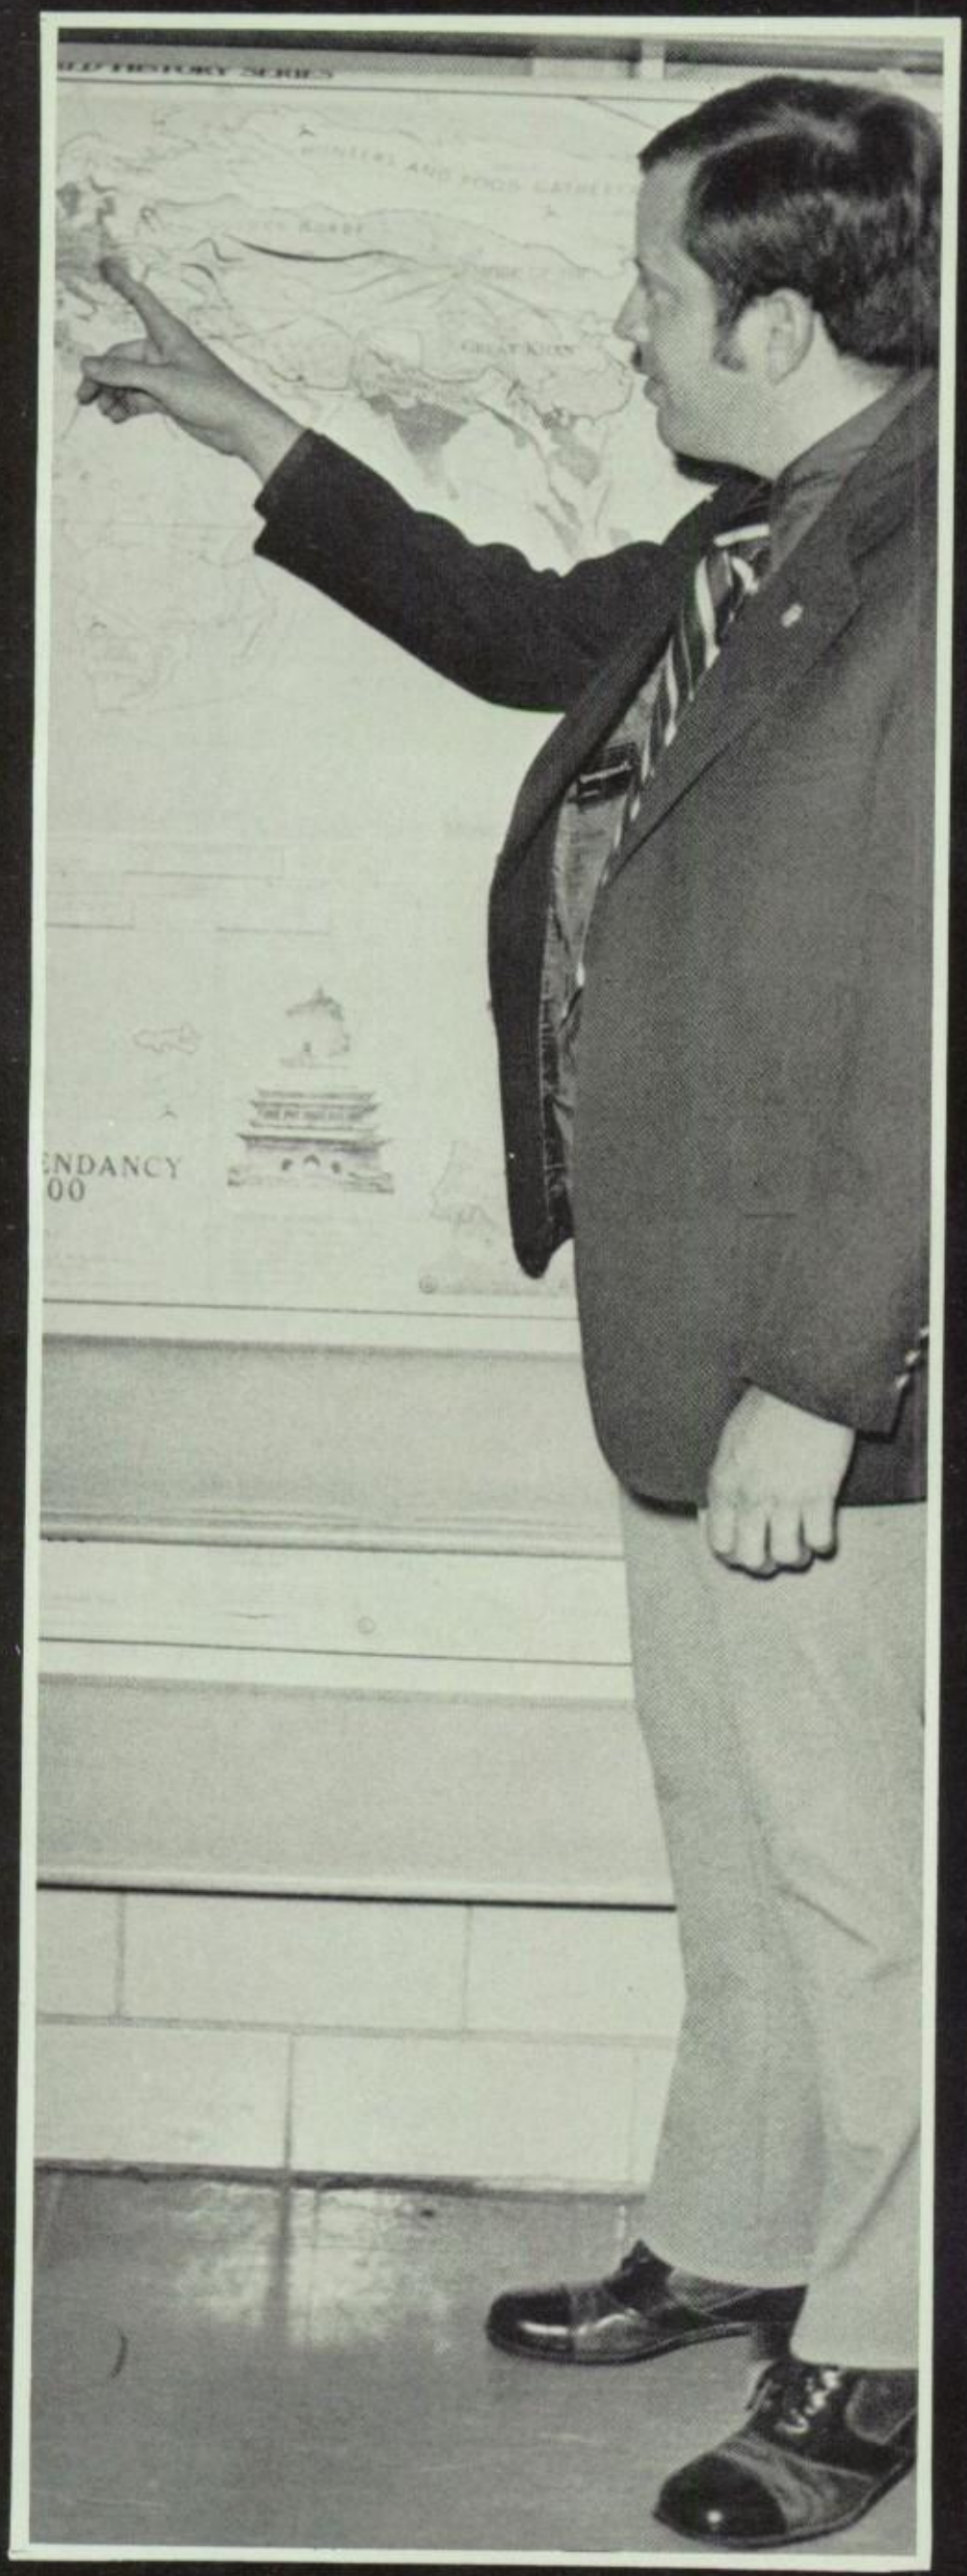
Britain



Administration

Principal

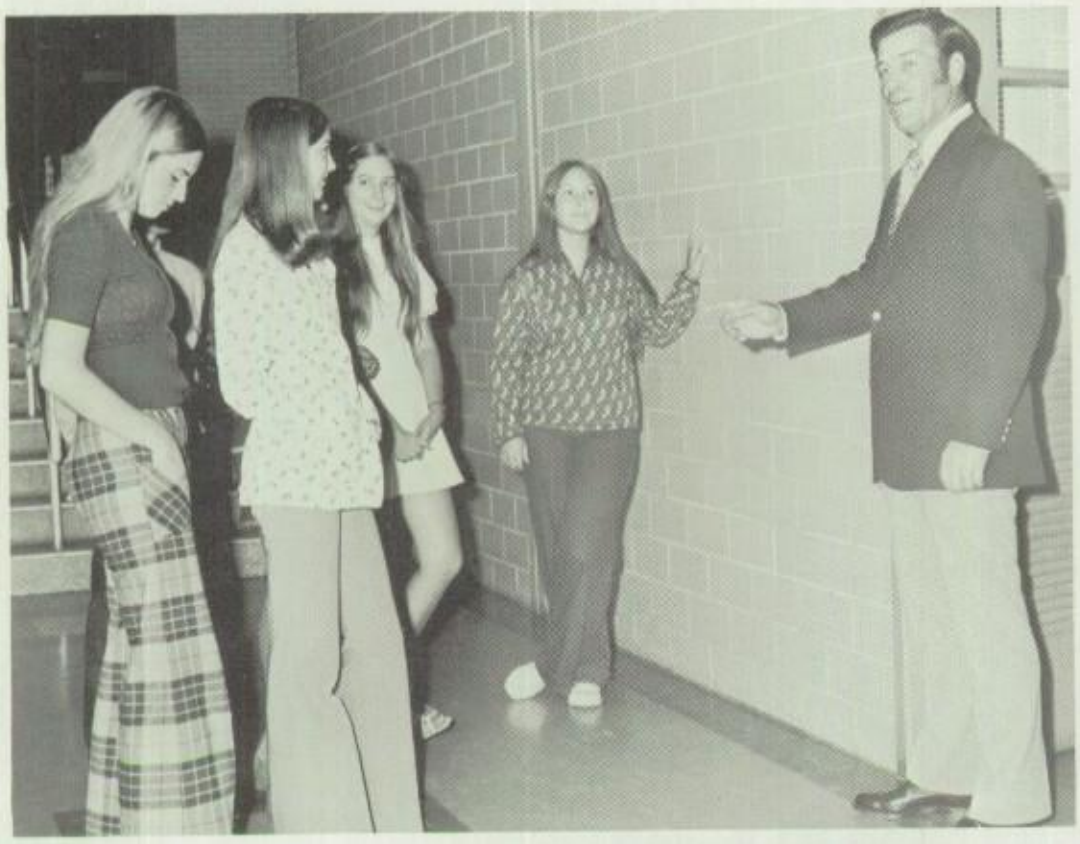
Earl T. Haynes

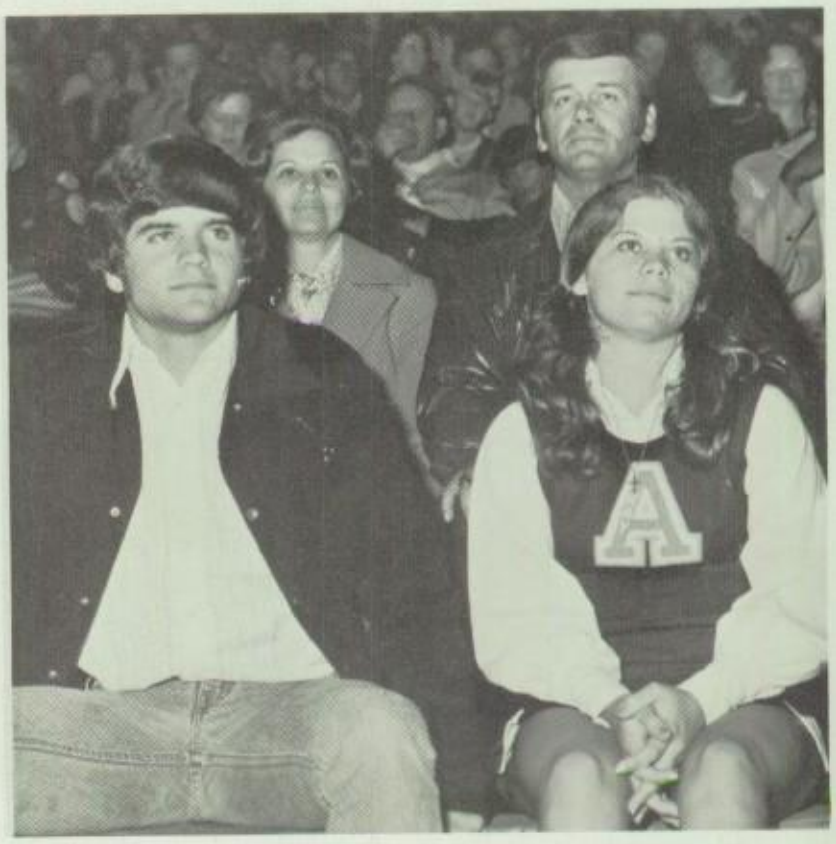
Mr. Haynes has been with Airline for five years. In the middle of his fourth year he was promoted to the office of Principal.

Mr. Haynes has been teaching for nineteen years. He has his BS degree and Master of Education degree, he is currently working on his thirty hours above his Masters degree.

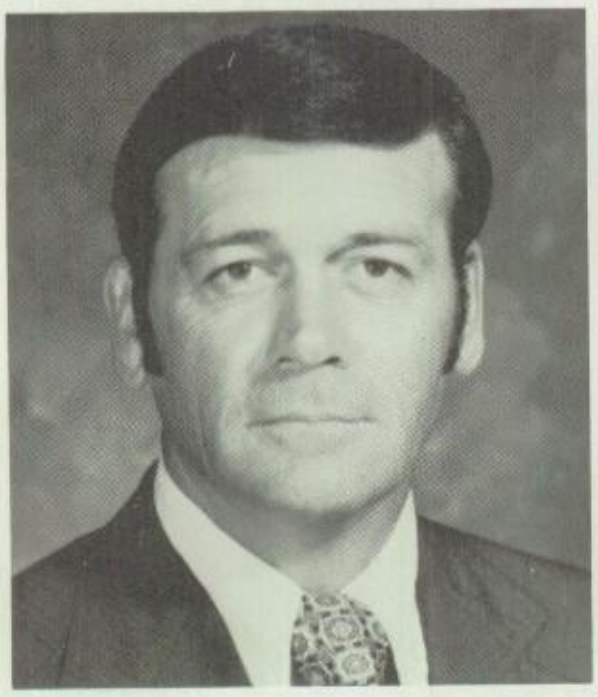
Mr. Haynes, his wife, and two children were active members in the First Baptist Church of Bossier City. He taught Sunday School and was a deacon in the church.

Mr. Haynes' interests were playing golf and deer hunting.





Mr. Haynes proudly kissed his daughter, had a friendly conversation with the office girls, enjoyed the Airline-Captain Shreve game, and prepared for a golf game.



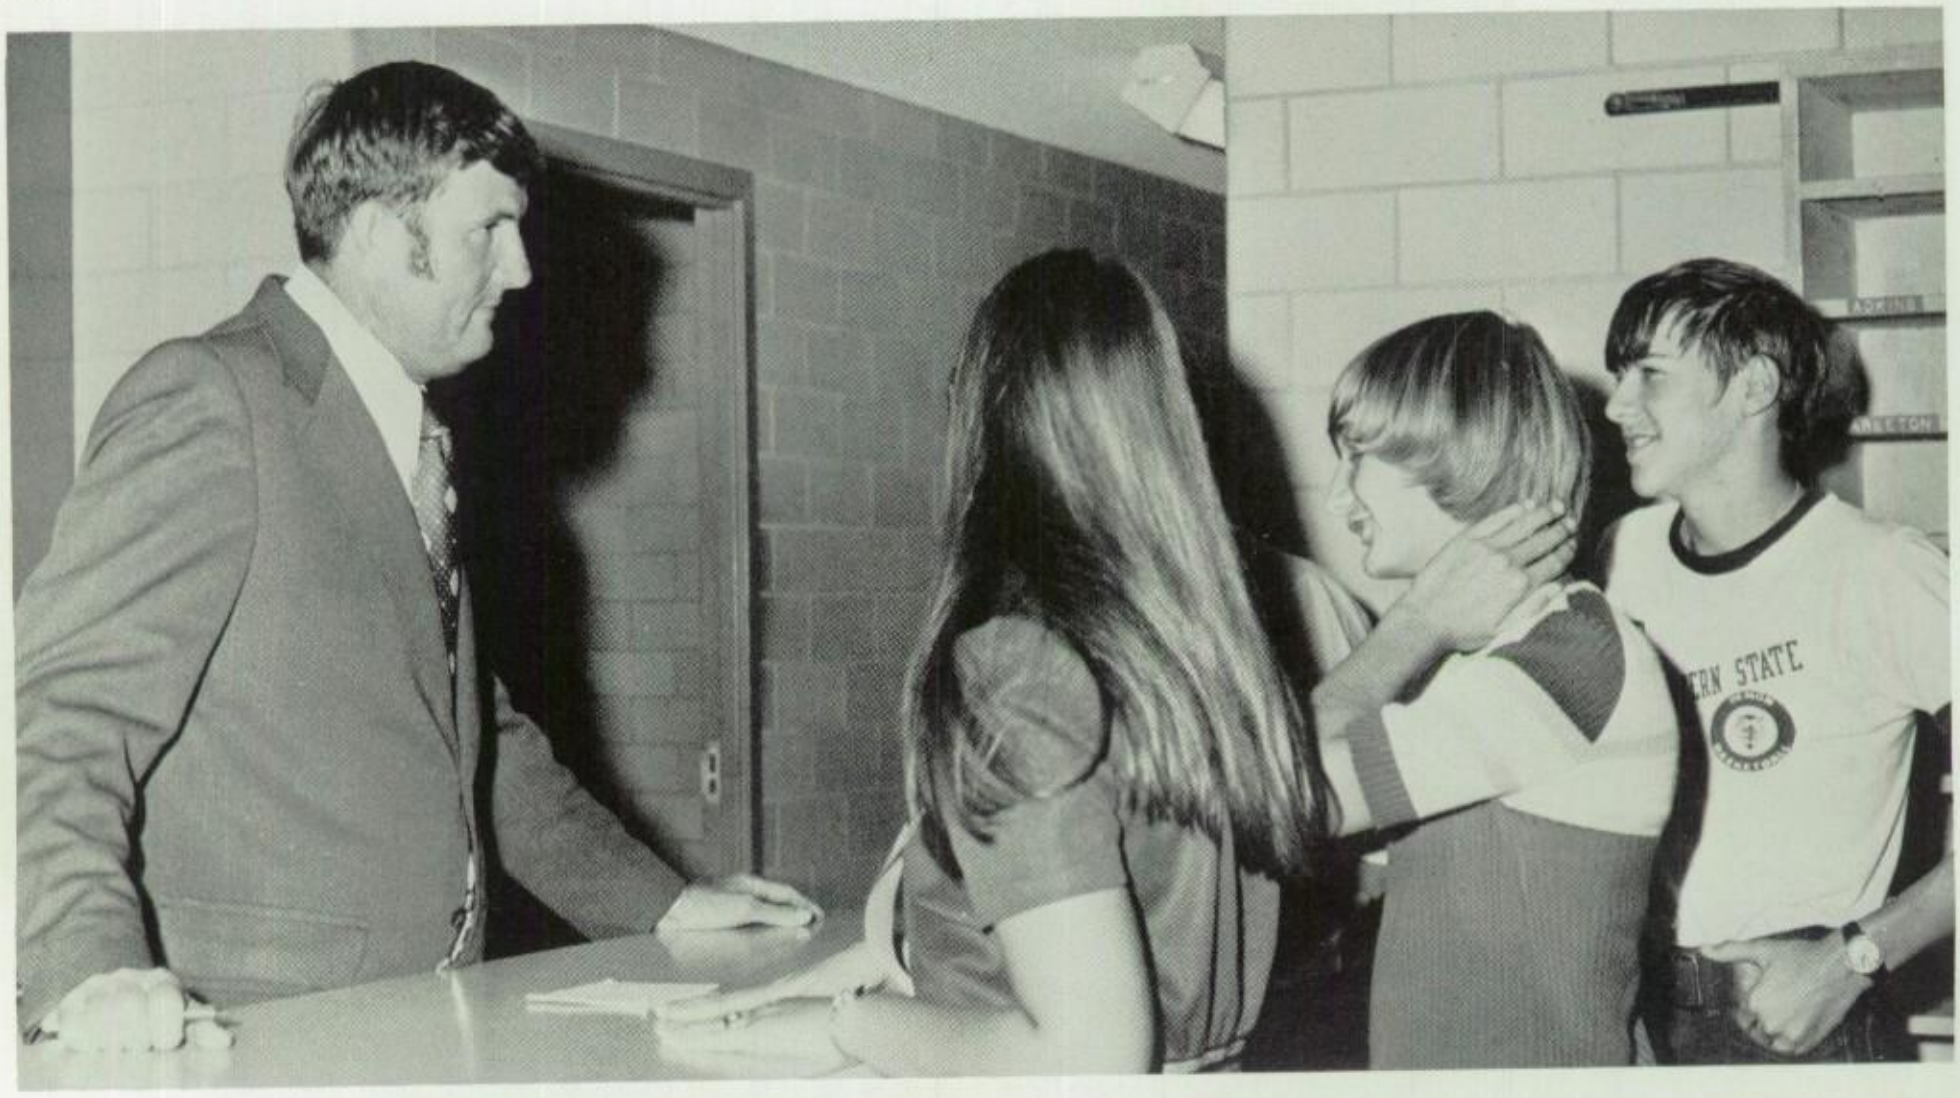
Assistant Principal

J. C. Howell

Although this was Mr. Howell's tenth year with Airline, this was his first year as Assistant Principal. He worked hard with Mr. Haynes to keep everything in order.

Mr. Howell has four children, one out of school and three still in school. He and his family belonged to Saint George's Episcopal Church.

Mr. Howell's interests were playing golf and tennis.



Mr. Howell joked with a student in the hall, talked to a group of students and worked hard at his desk.

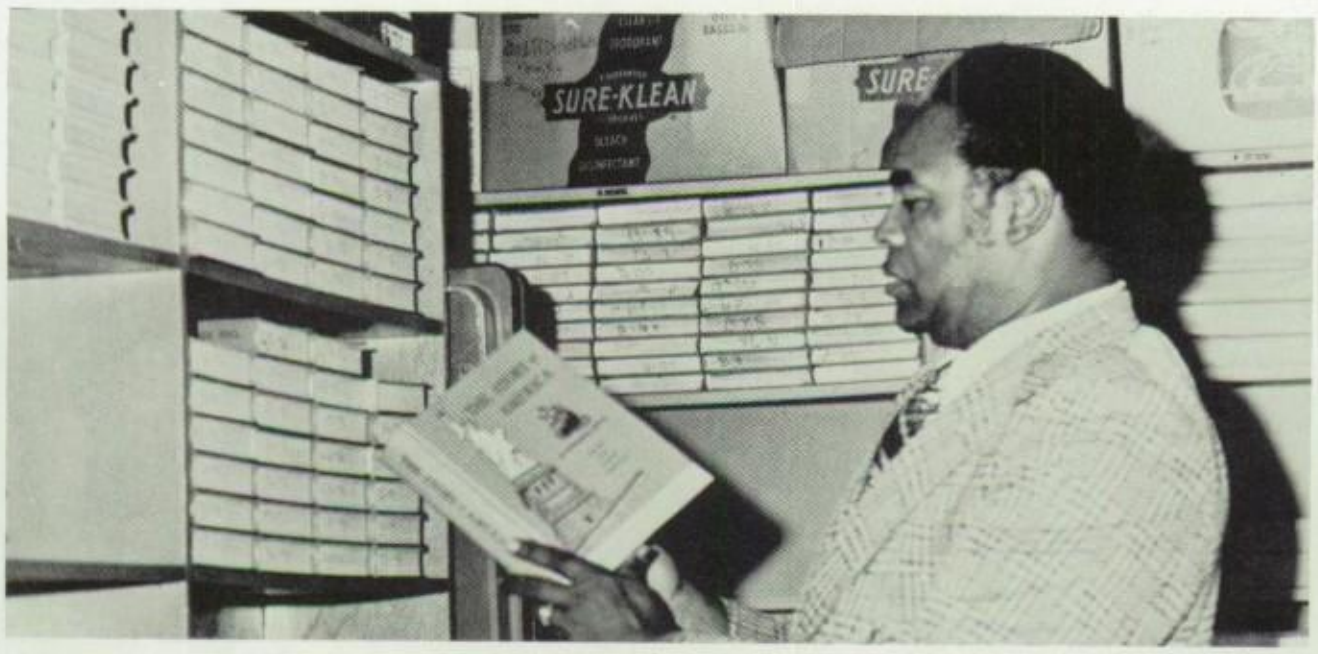
Assistant Principal

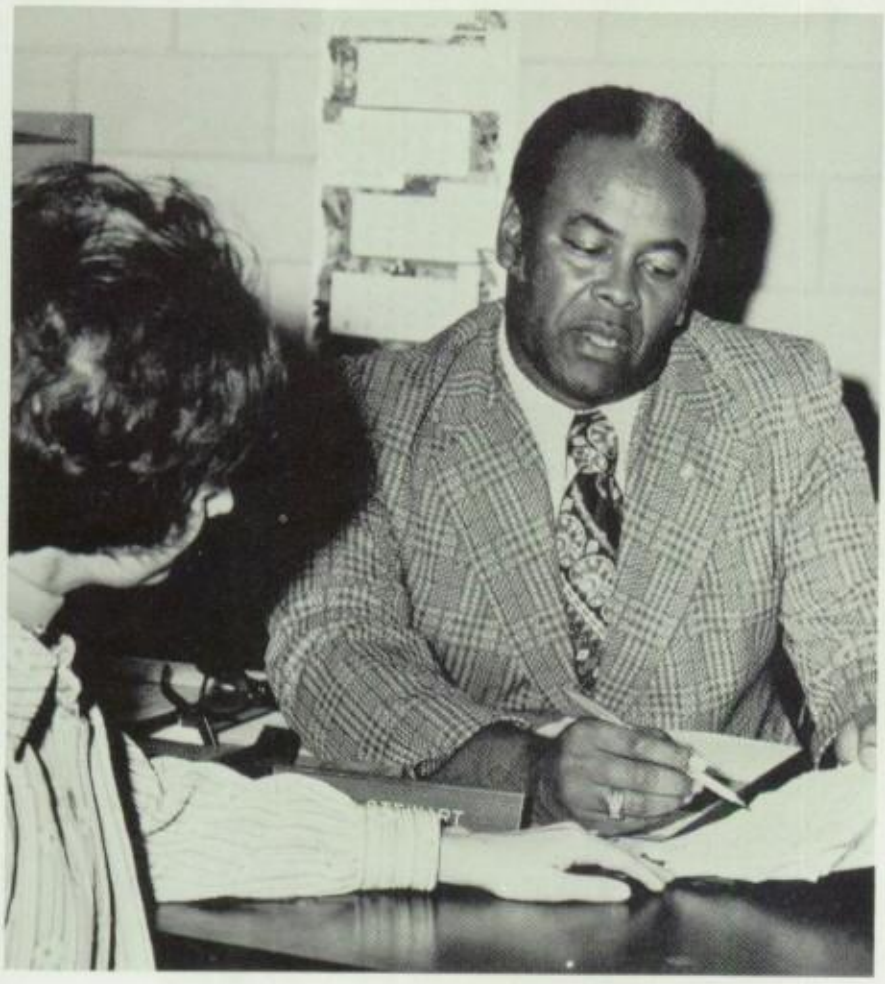
Riley A. Stewart

Mr. Riley A. Stewart has served as an assistant principal for the last half decade at Airline. Some of his basic duties were taking care of the bookroom and helping with disciplinary supervision at Airline.

Mr. Stewart has four children, three out of school and one in school.

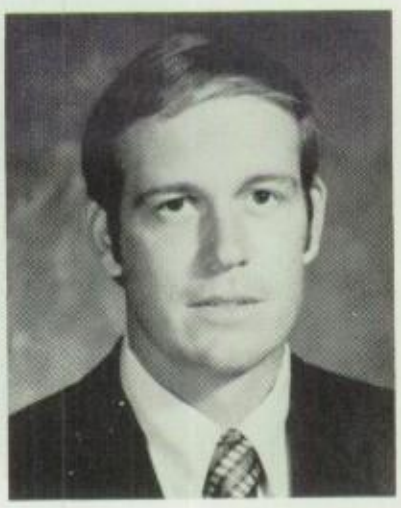
Mr. Stewart was always there with a helping hand.





Mr. Stewart gave instructions to one of the bus drivers at the bus area. One of his jobs was taking care of the bookroom. He enjoyed the pep rally. He talked with one of our teachers.

Counselors Helped Make Decisions



Our counselors this year were Miss Stroud, Mr. Graves and Mr. Walden. Among their duties were checking schedules and transcripts, talking to classes, and administering college preparatory tests. OPPOSITE: Mrs. Noonan led all of the teachers in singing happy birthday to the football team.

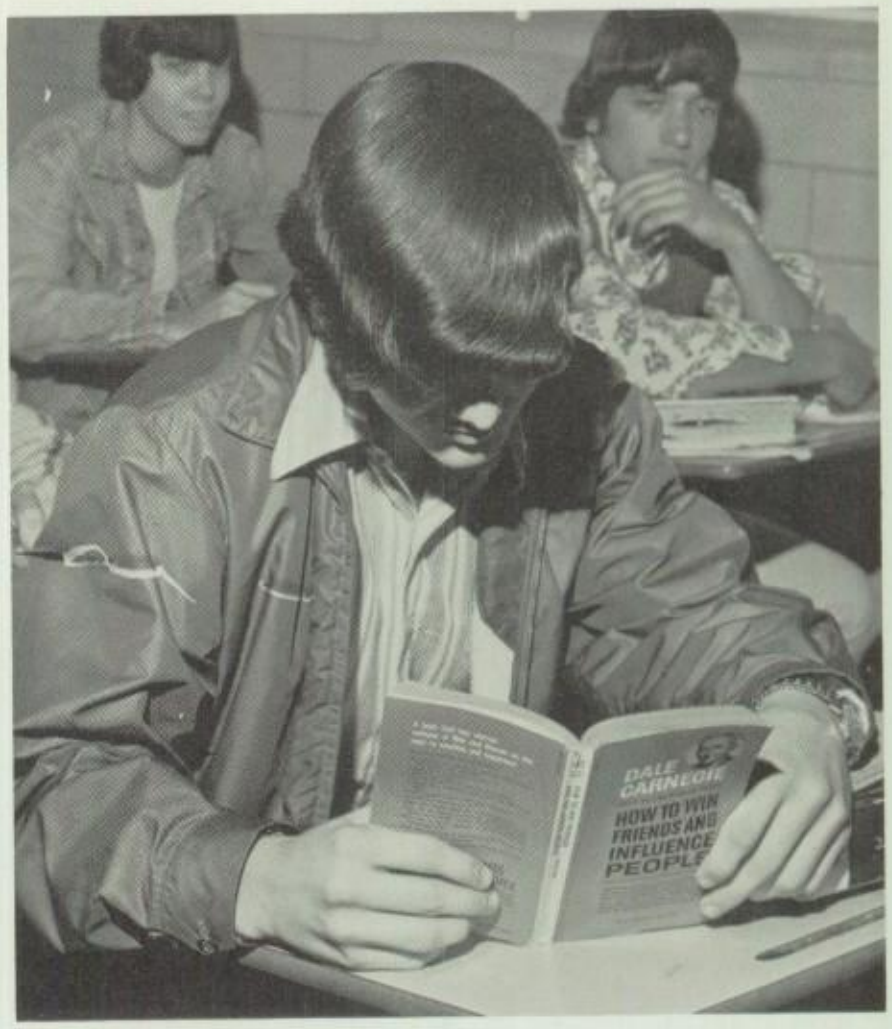
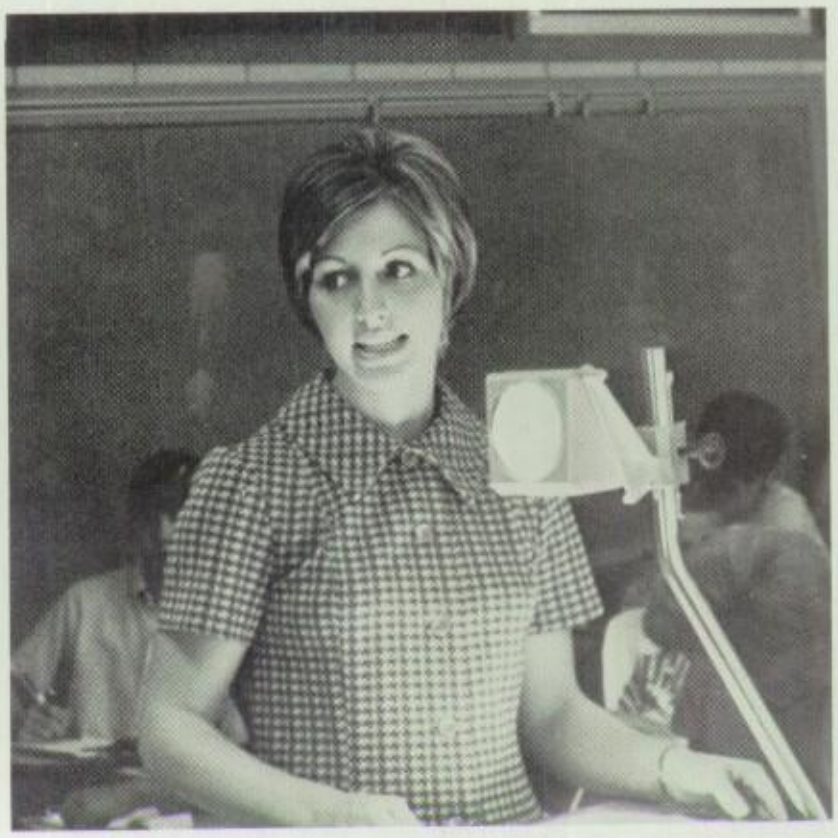
Academics

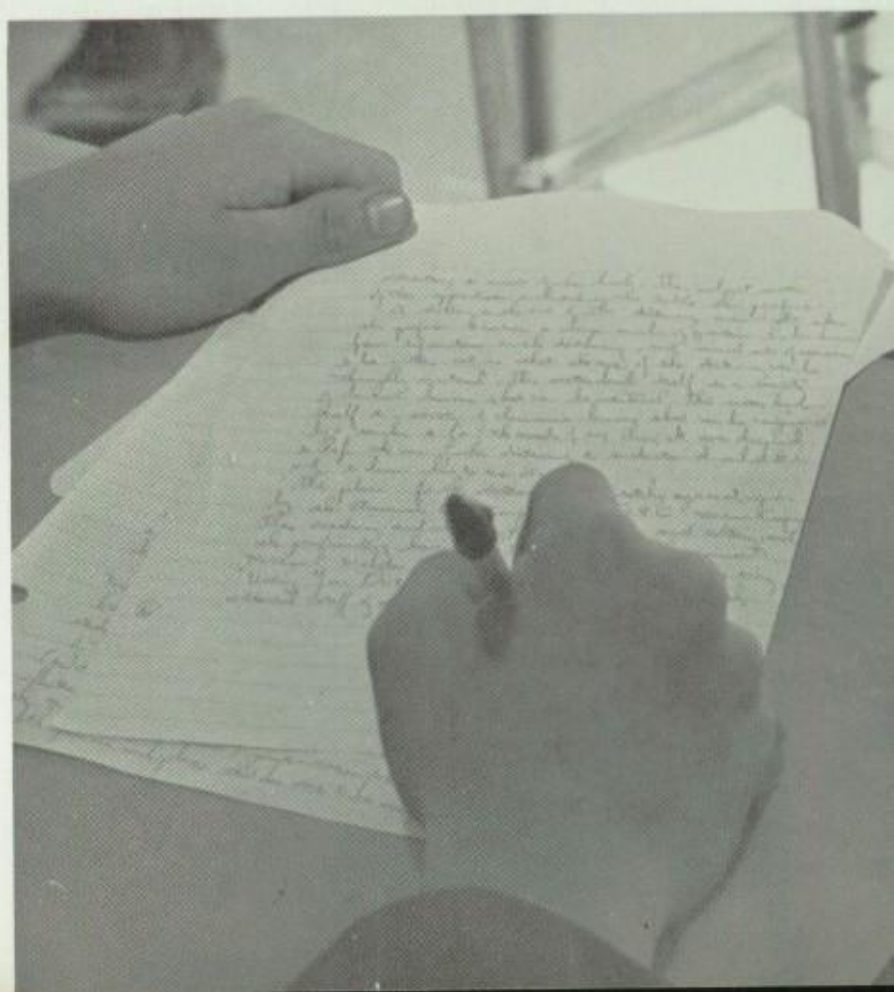
English

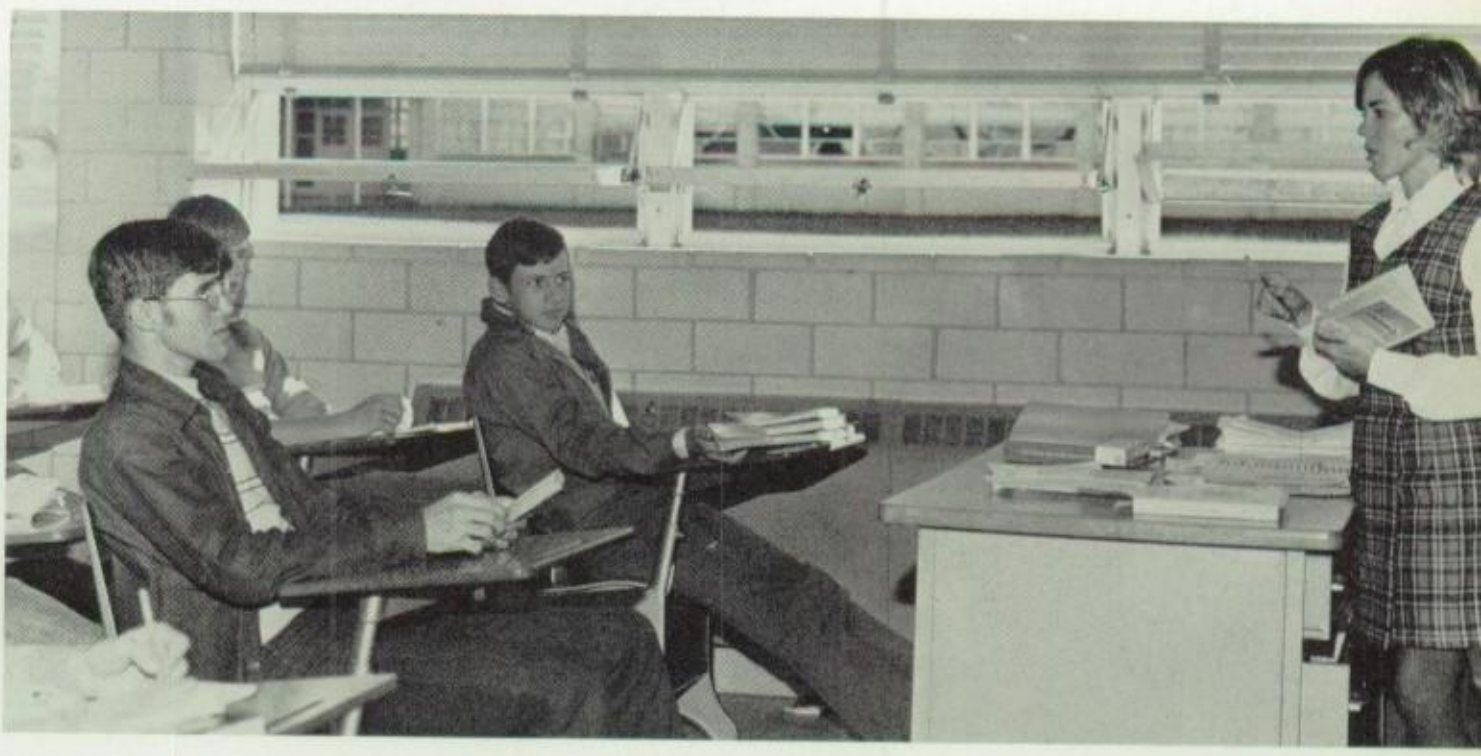
The English department was found very essential to a person seeking success in today's modern, complex world. This year at Airline there was a variety of English and literature courses offered.

The freshmen and sophomores were required to take the basic grammar fundamentals. The teachers offered the juniors and seniors college and non-college bound curriculum this year. Because of the wide selection of courses, students achieved their goals they needed in this competitive world.

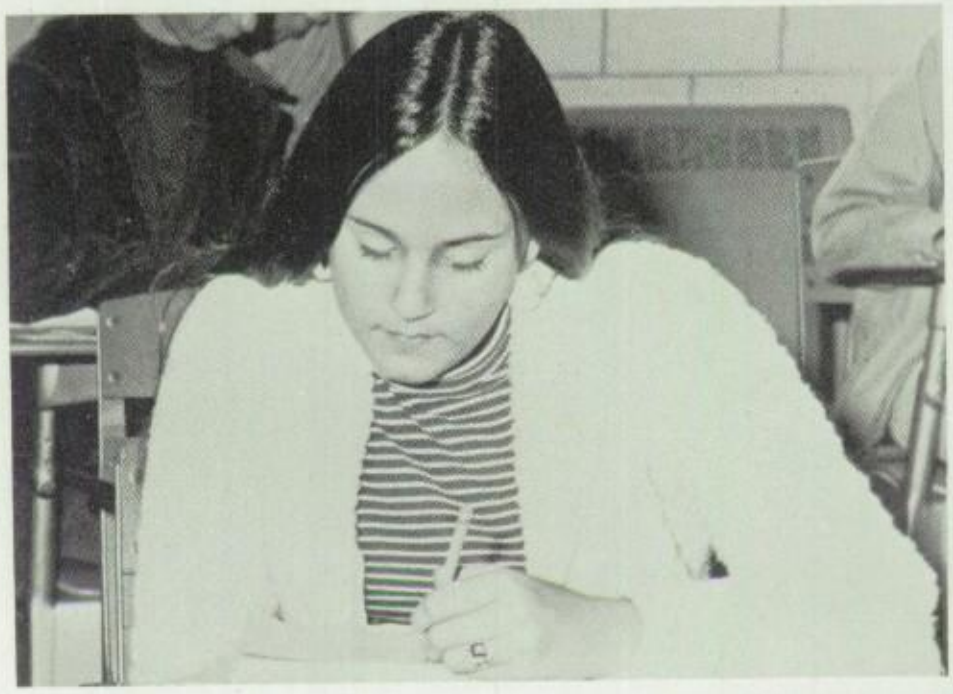


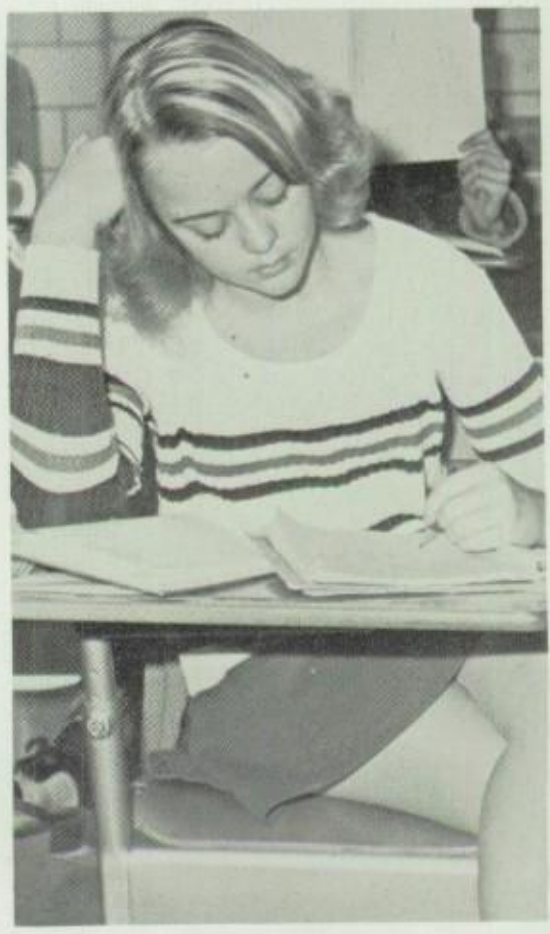


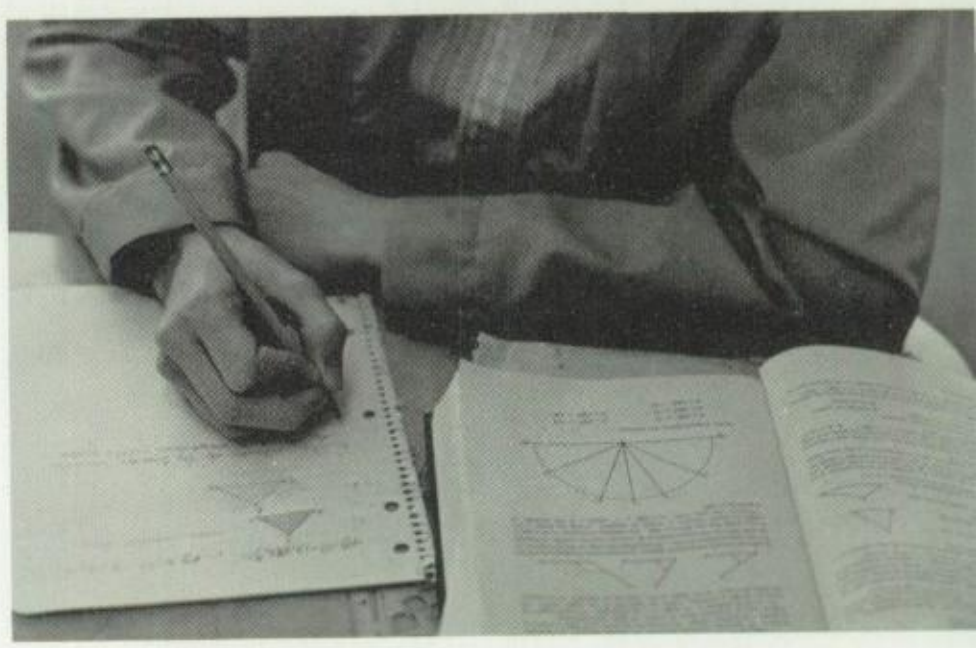




TOP LEFT: Helen Black read an essay to the class. TOP RIGHT: Mrs. Gills and Blackadar paused to talk and rest. BOTTOM RIGHT: Students listened attentively as Mrs. Deere discussed their novel. OPPOSITE PAGE, TOP RIGHT: Mack Covell found interesting reading in **How to Win Friends.** MIDDLE LEFT: Mrs. Estess told the class their assignments for the week. MIDDLE RIGHT: Mrs. Walden explained proper use of verbs to her freshman class. CENTER: Mrs. Stephens had many good acquaintances. BOTTOM: Students listened attentively as Mrs. Deere discussed their novel.







Mathematics

Airline's mathematics program not only developed a student's ability to think more clearly and use a logical approach in solving problems; it also prepared them to meet the future, both in a college and vocational career.

A well-rounded program of mathematics was offered to Airline students including the subjects general math, Algebra I and II, business math, geometry, trigonometry, and advanced math.

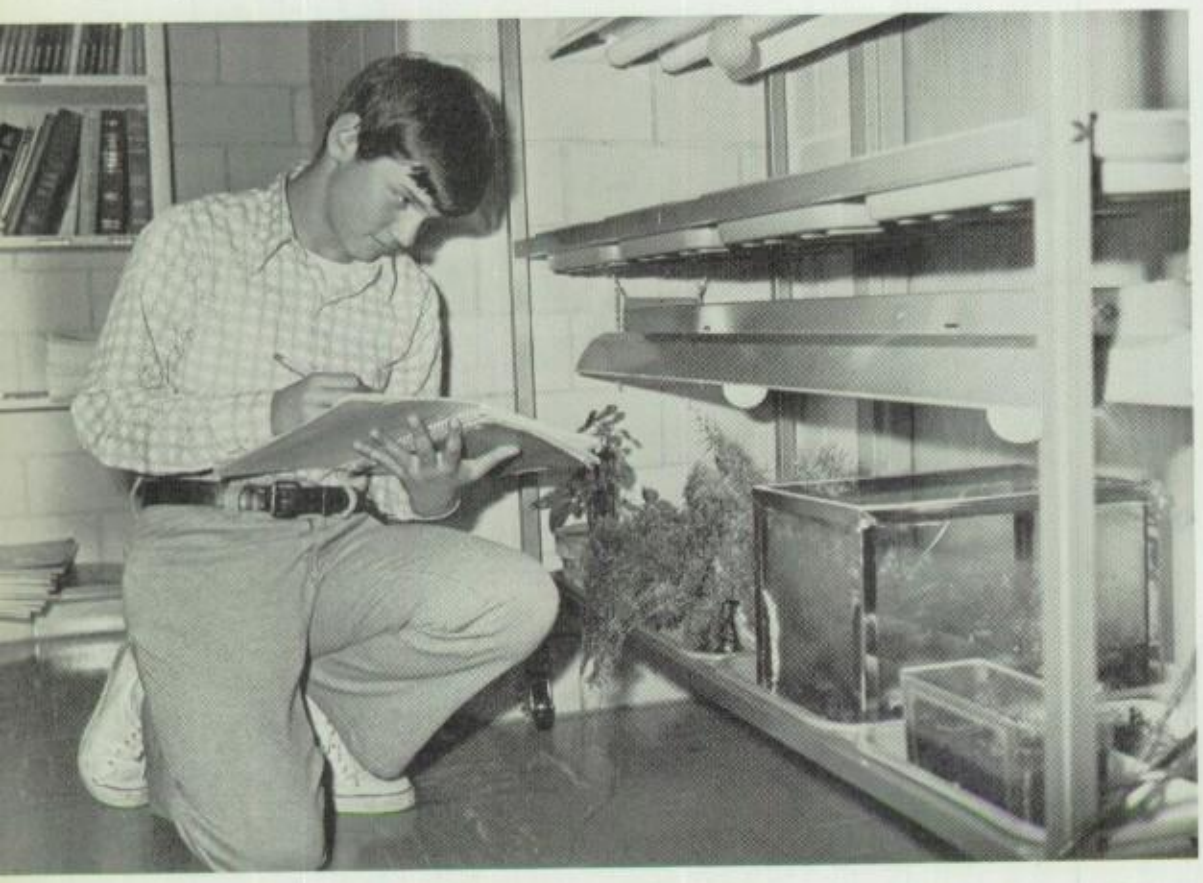
Students who took the courses understood the background of logic and study necessary to all phases of school life.

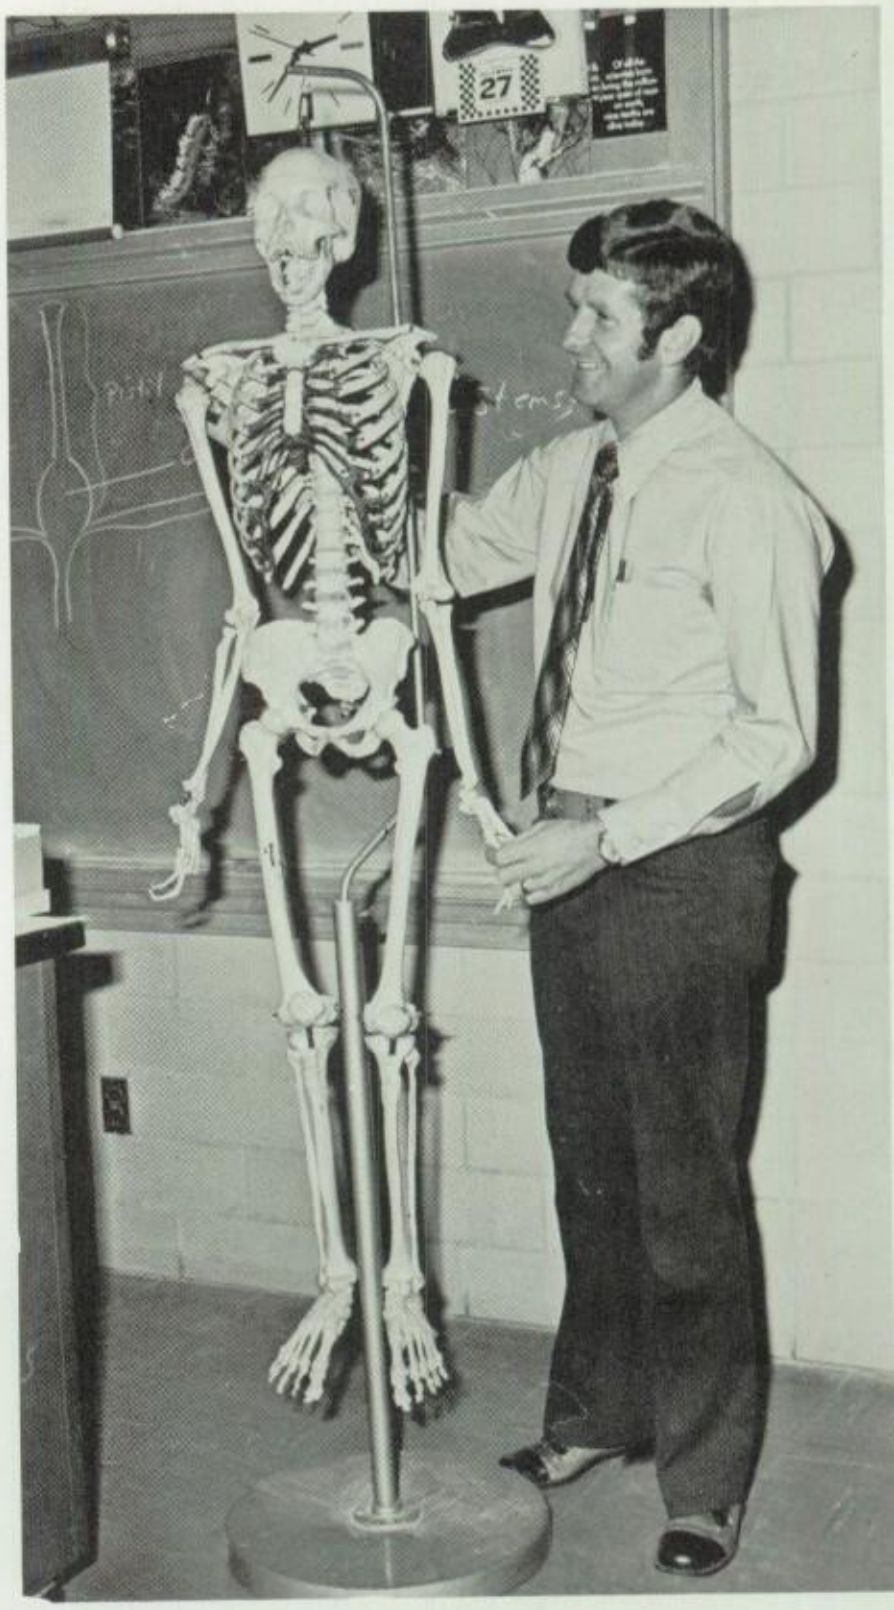
LEFT: Mrs. Samuel instructed her trigonometry class. RIGHT: Mrs. B. Cox explained Algebra I problems through transparencies. OPPOSITE PAGE, TOP LEFT: Mrs. M. Cox demonstrated the principles of Algebra II. TOP RIGHT: Mr. Chisom was always prepared to help with the work. MIDDLE LEFT: Jeanne Wade worked hard and steadily. MIDDLE RIGHT: Vickie Corley studied hard for her grades. BOTTOM: A pencil and paper was always necessary in math.

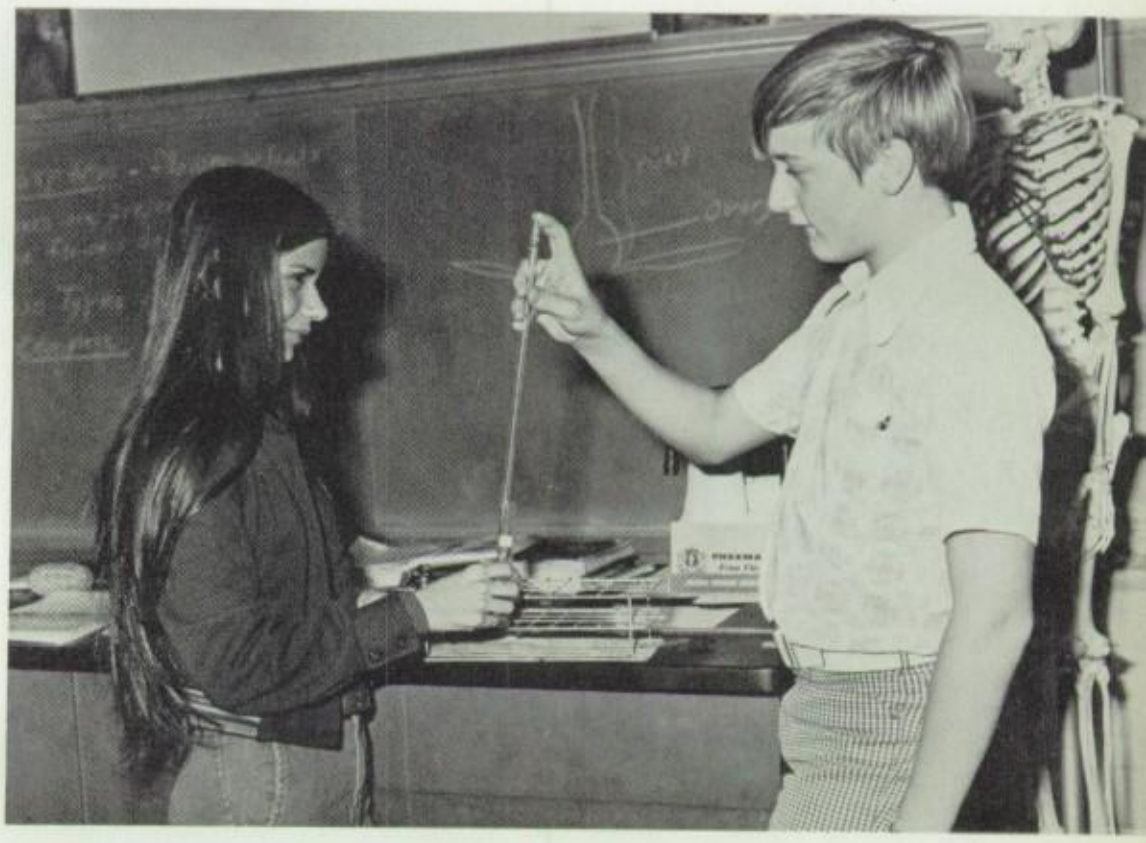
Science

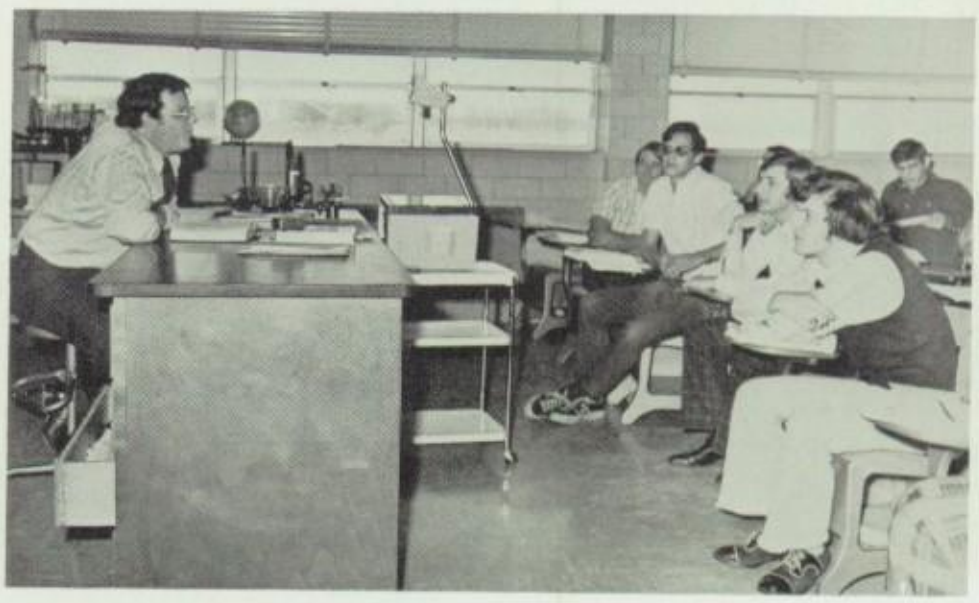
One of the most deeply involved courses is today's modern science. The science department undertook the task of instructing students in various phases of the natural sciences.

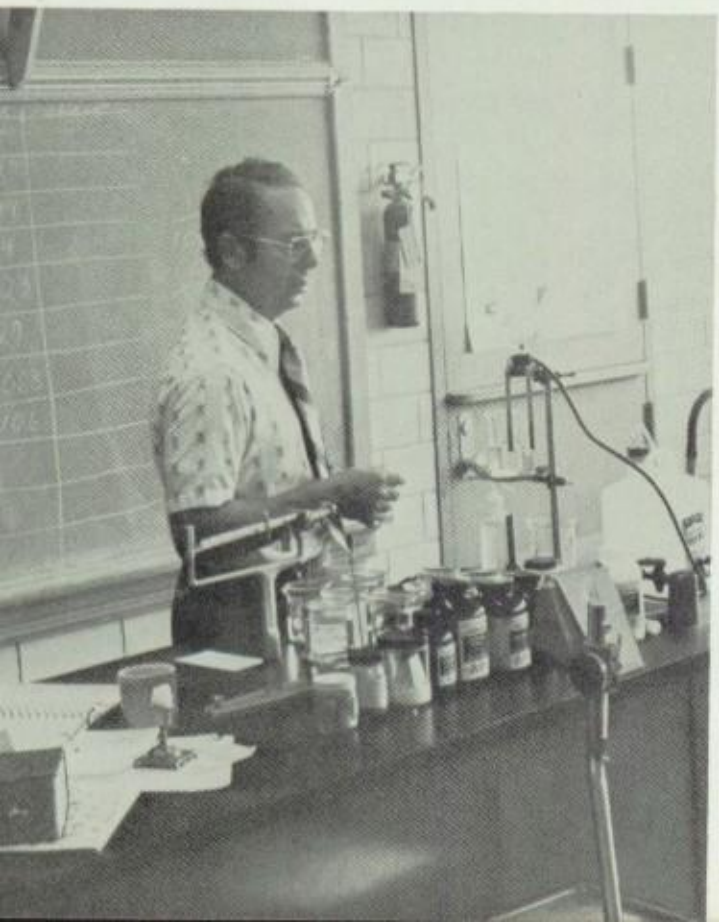
There were many types of sciences offered to fit a person's own level of learning. Not only was the curriculum based on lecturing and material in the textbooks, but also active lab work was performed. In this course a student was able to develop an understanding of physical principles and their application to logical thinking.









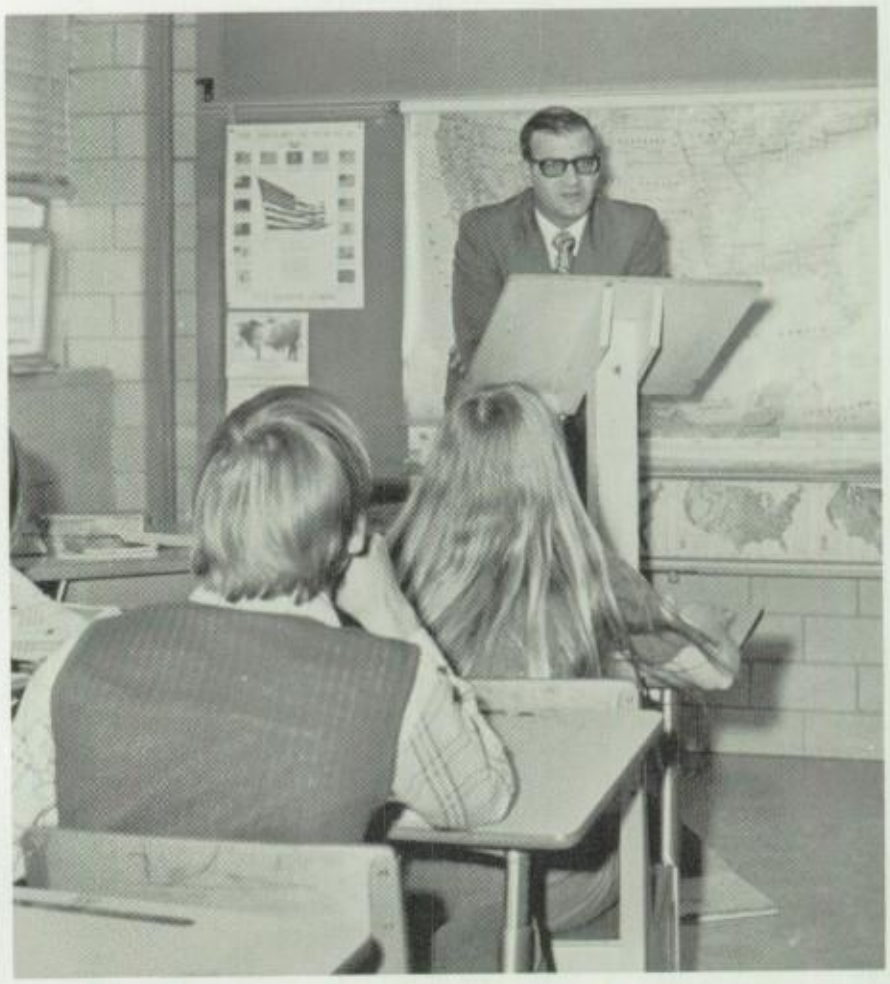


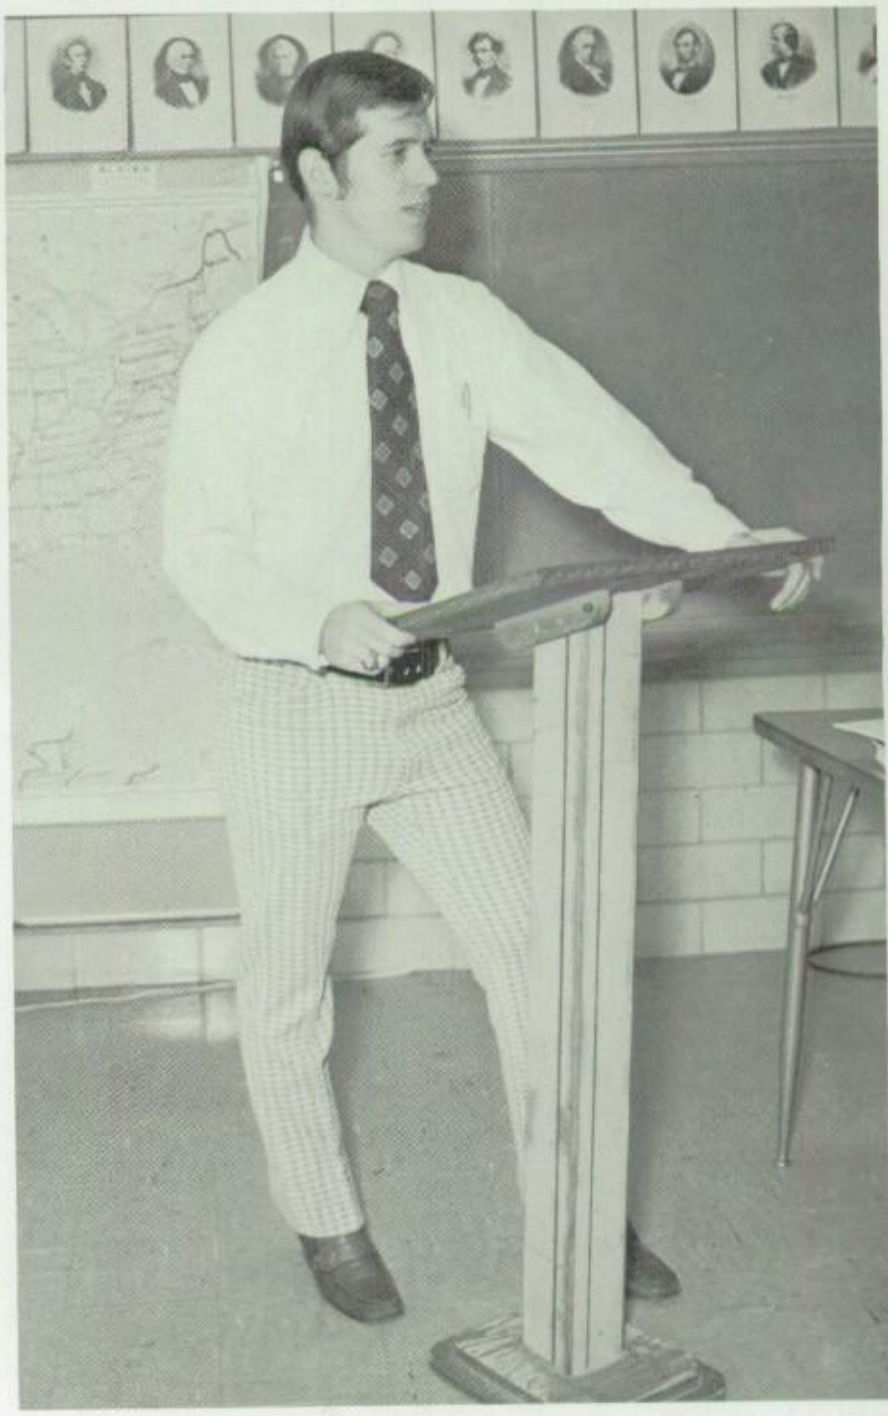
TOP LEFT: Students listened carefully as Mr. Jones explained a chemistry experiment. TOP RIGHT: Teri McDonough and Jim Adams measured a formula. MIDDLE LEFT: Cheryl McElwee discovered new things in the microscope. MIDDLE RIGHT: Mr. Mandeville's sixth period chemistry class listened attentively. BOTTOM: Mr. Hill performed an interesting experiment to his class. OPPOSITE PAGE, TOP RIGHT: Mr. Carson was friends with everybody. LEFT: David Parker took data on the growth of plants. BOTTOM RIGHT: Kay Midkiff found that specimen weren't always fun to look at.

Social Studies

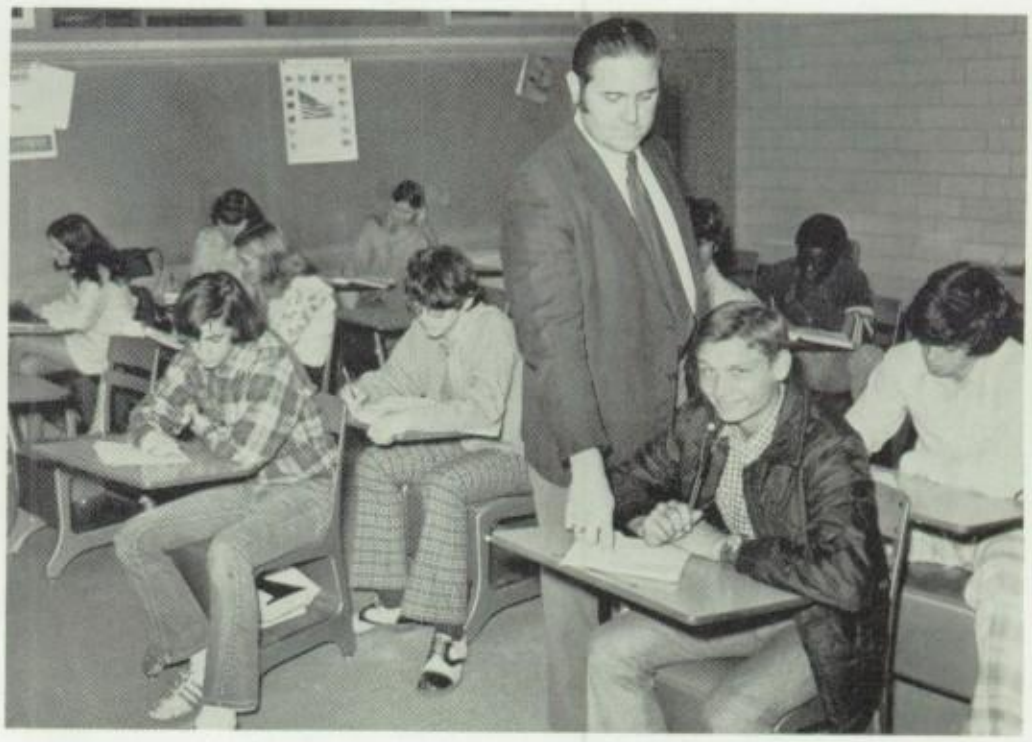
Social Studies offered the students a chance to learn more about this great country, with its problems, government, and history.

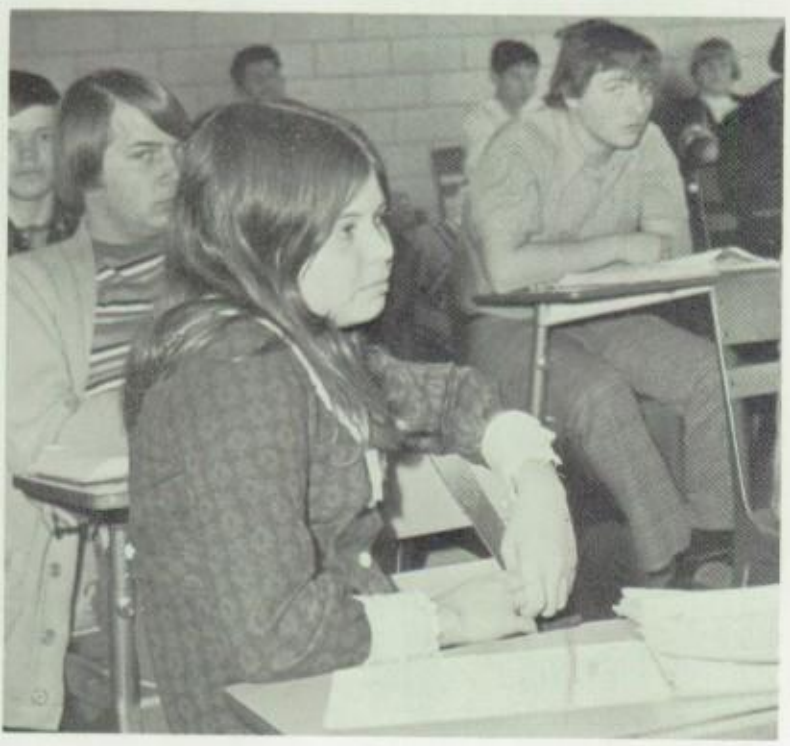
There was a wide variety of interesting courses to select from. Civics and American history, were required, while world history, world geography, economics, and American government were offered. Through social studies, students became more aware of modern and historic societies, for every day, some where, history is being made.



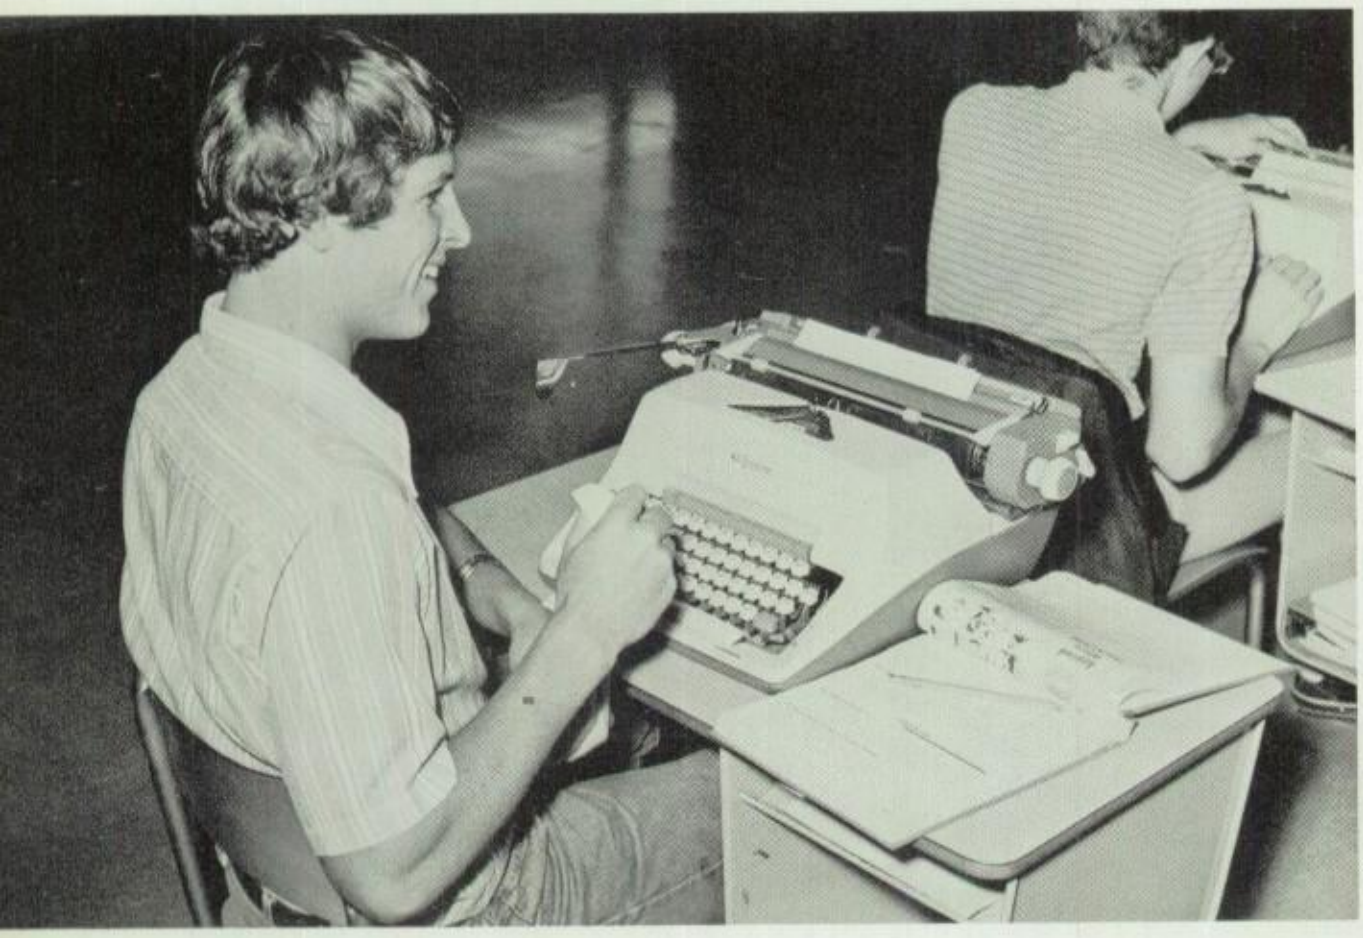


TOP RIGHT: Mr. Cox presided over interesting discussions in American history. MIDDLE LEFT: The dictation of notes went on almost every day. BOTTOM RIGHT: Mr. Walden lectured to his class.





TOP LEFT: Visual aids were used in most classes. TOP RIGHT: Mr. Nichols helped a student with his assignment. MIDDLE LEFT: Mr. Carleton was always ready to help his students. MIDDLE RIGHT: Lisa Edwards showed she understood history well when she took her test. BOTTOM: Learning the realization of heritage was taught to the history students.



TOP: Bookkeeping served as a useful subject. MIDDLE LEFT: Mark Opperman thought typing was amusing. MIDDLE RIGHT: Mrs. Blackburn gave her students their assignment. BOTTOM: Mike Bernard worked on his bookkeeping homework. OPPOSITE PAGE, TOP: Mrs. Henry gave her students their lesson for the day. MIDDLE LEFT: Mrs. Smith explained terms in bookkeeping. MIDDLE RIGHT: Mrs. Adkins dictated a letter to her typing class.

Business

The business courses offered at Airline were geared to teach the values of the taught skills in the business world. It was also useful in both vocational and personal life.

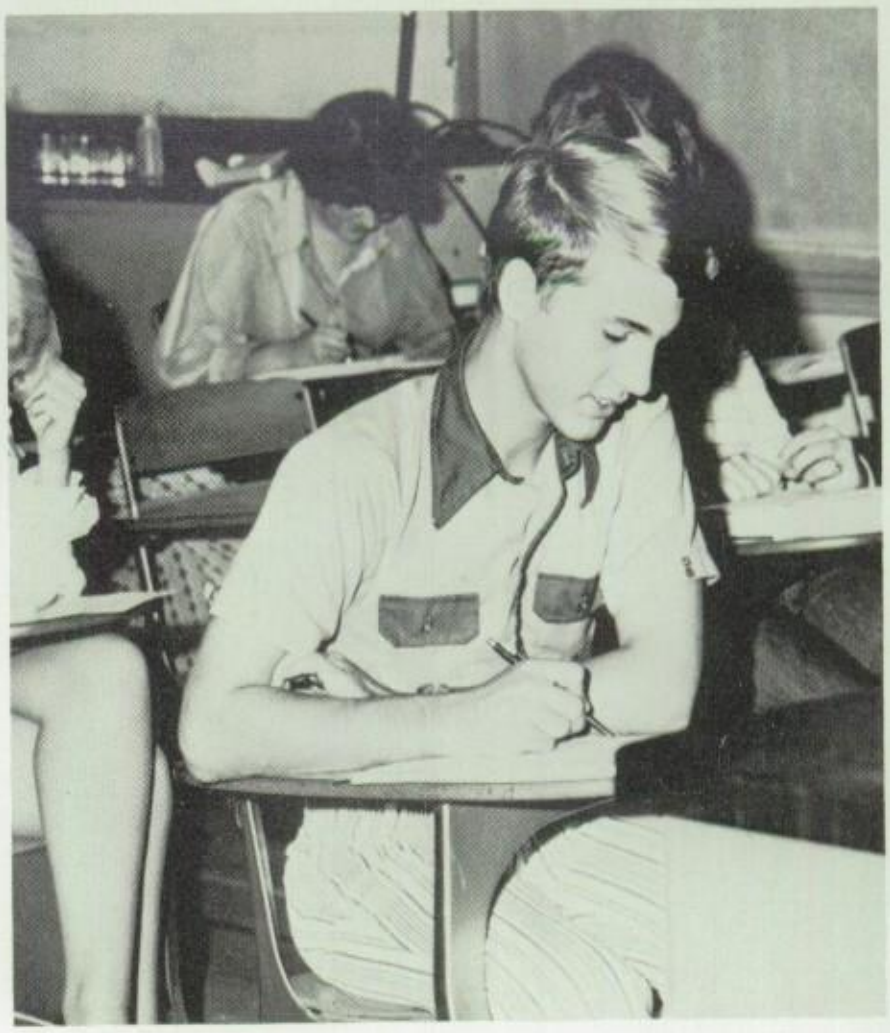
A subject that was proven quite useful was typing. It has always been essential. For students planning a career in the business world, courses such as clerical practice, bookkeeping, shorthand, and data-processing were offered.

Students who took this course were better prepared for whatever awaits him in the business world.

Foreign Language

As the world is growing smaller, people need more communication. Languages such as French and Spanish were offered at Airline to help students become closer in contact with the world around them. In this course, students not only learned to speak one of the two languages, but they also studied the cultures, finding out about the people and their different ways of life.

With the learning of foreign languages, students were able to attain a better understanding of English and were brought in closer contact with the world around them.



TOP RIGHT: Mrs. Bucklew set the tapes up for the language lab. LEFT: Mrs. Kneass went over the French assignment with the class. BOTTOM RIGHT: Stephen Winner worked very hard. OPPOSITE PAGE, TOP LEFT: Mrs. Fullerton instructed Gregg Tatum and Jeff Keoppen on setting up the props for the musical "Oklahoma." MIDDLE LEFT: Dr. Peterson discussed the next football show routine. MIDDLE RIGHT: Mrs. Noonan, the choir director taught music appreciation. BOTTOM: The band always played at the pep rallies.

Music And Drama

Airline had a great Music Department which expressed themselves vocally and instrumentally. The choir and the band always had great entertainment for the people by football shows, parades, concerts, and musicals.

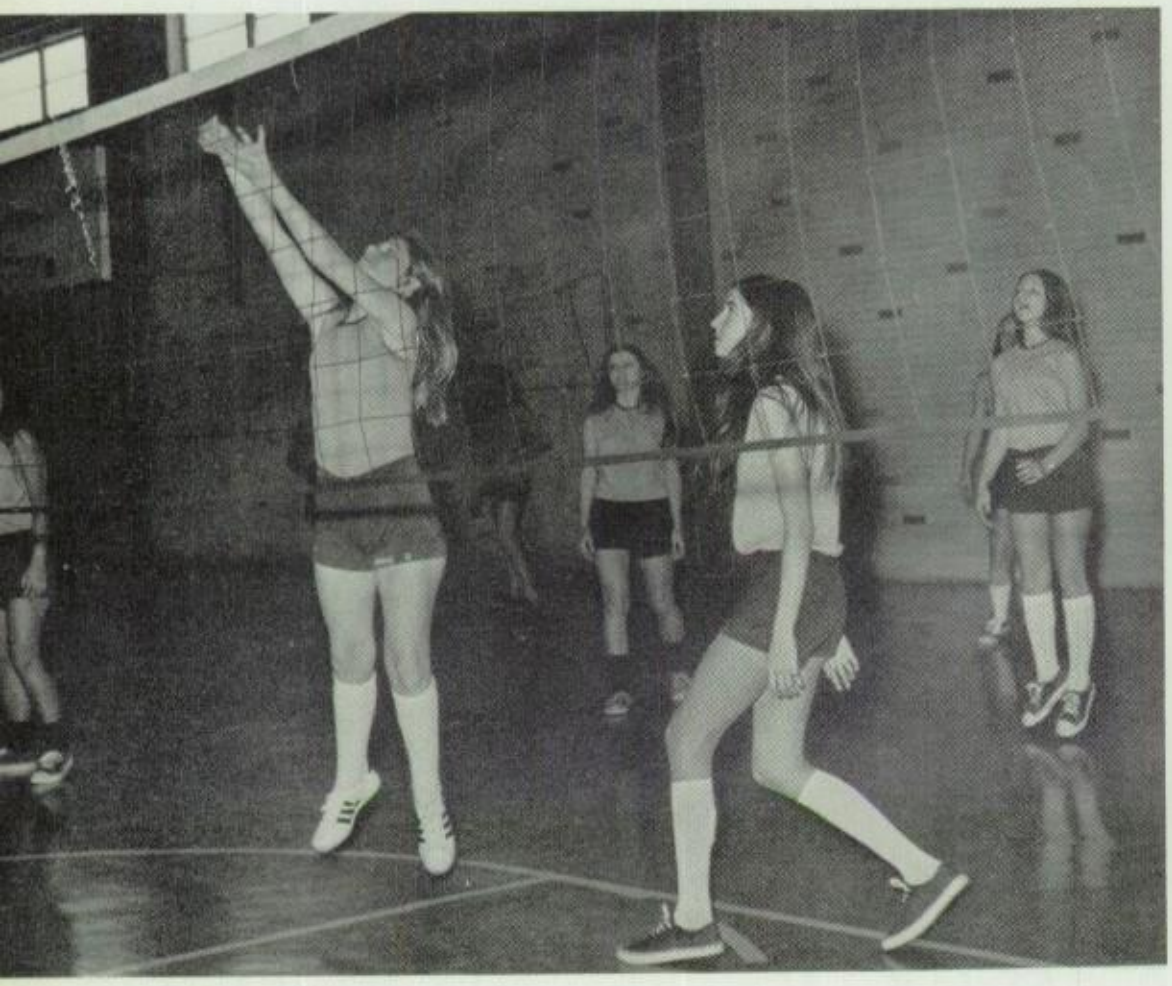
The Drama Department certainly proved to be working hard by the performances of plays. Students learned how to properly speak and were able to learn more about giving speeches or just talking to people that would become very necessary in the days to come.

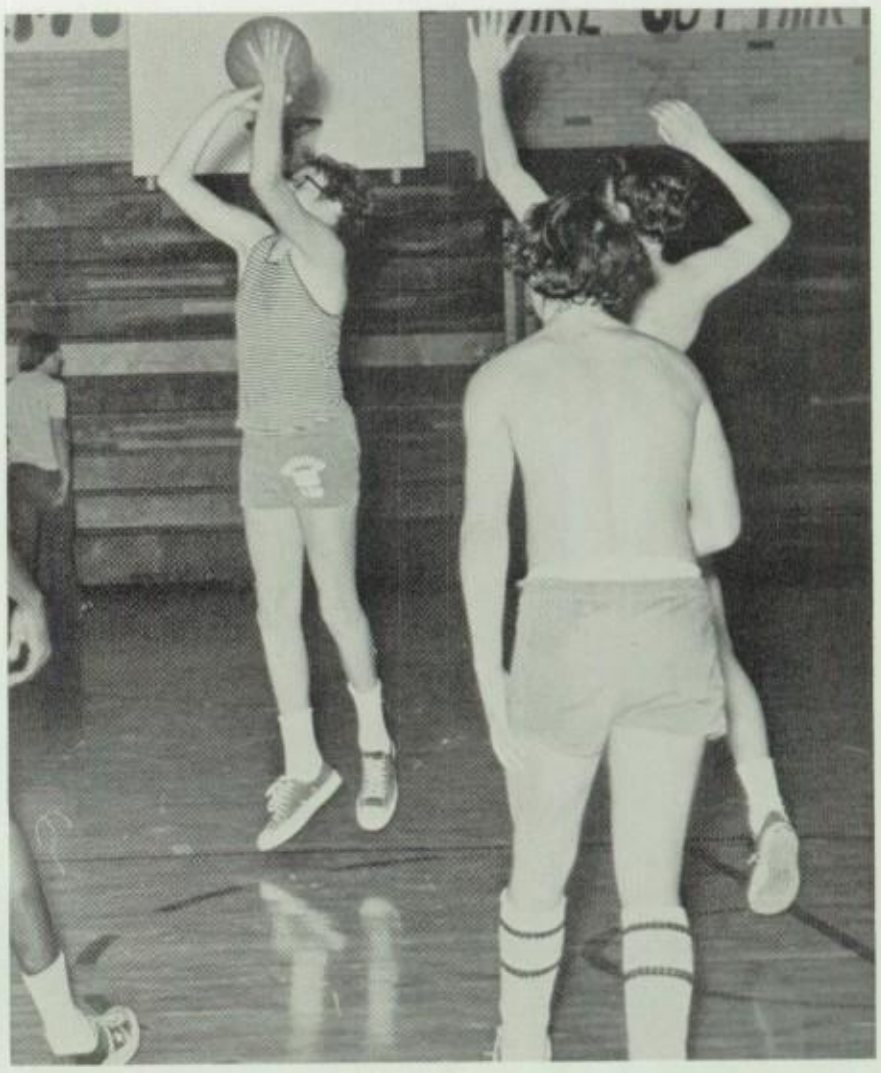
Physical Education

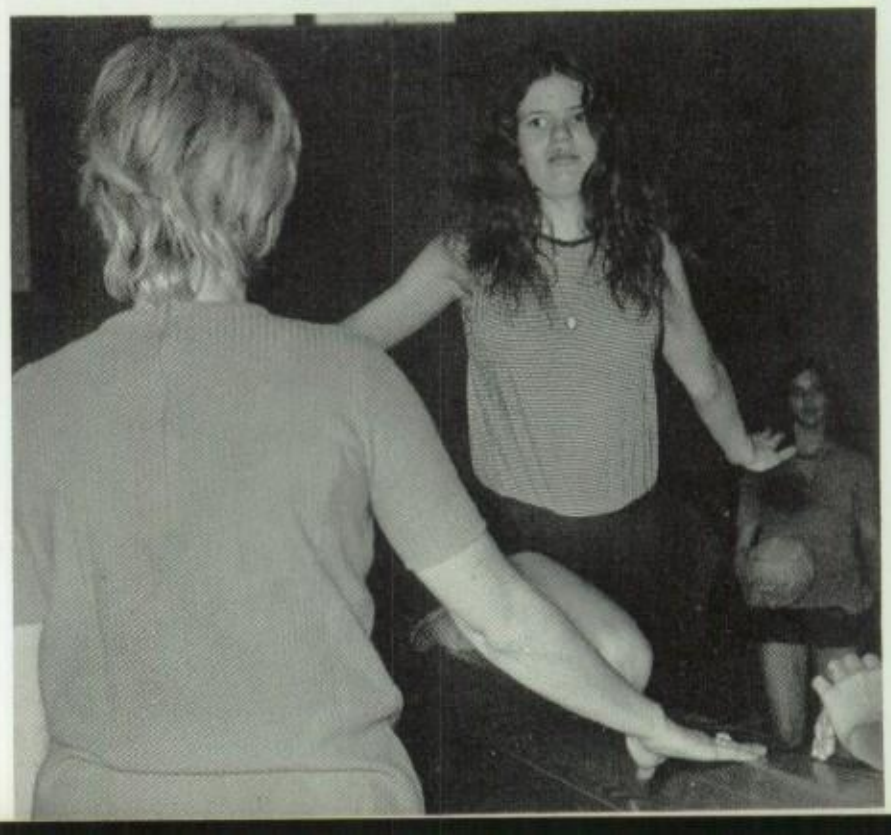
The development of students' minds as well as their bodies was emphasized by all coaches and physical education teachers at Airline.

The P.E. Department was stressed for the simple reason that everyone needed some form of exercise to keep his mind and body in good shape. Sports such as basketball, football, baseball, track, archery, and volleyball were taught. First aid and health were also given to students for six weeks.

Students learned more from physical education than just how to play sports. Through cooperation with others, they became better individuals.







TOP RIGHT: Basketball was a fun sport to play. MIDDLE RIGHT: The football boys practiced in the gym during winter. MIDDLE LEFT: Volleyball was a regular activity in the girls' gym. BOTTOM: The balance beam was frequently used. OPPOSITE PAGE, TOP: Mrs. Slack helped Vickey Duck in printing. MIDDLE LEFT: Home Ec students practiced preparing meals. MIDDLE RIGHT: Girls learned the basic steps in cooking. BOTTOM LEFT: Sewing was a major project. BOTTOM RIGHT: Art students enjoyed their work.

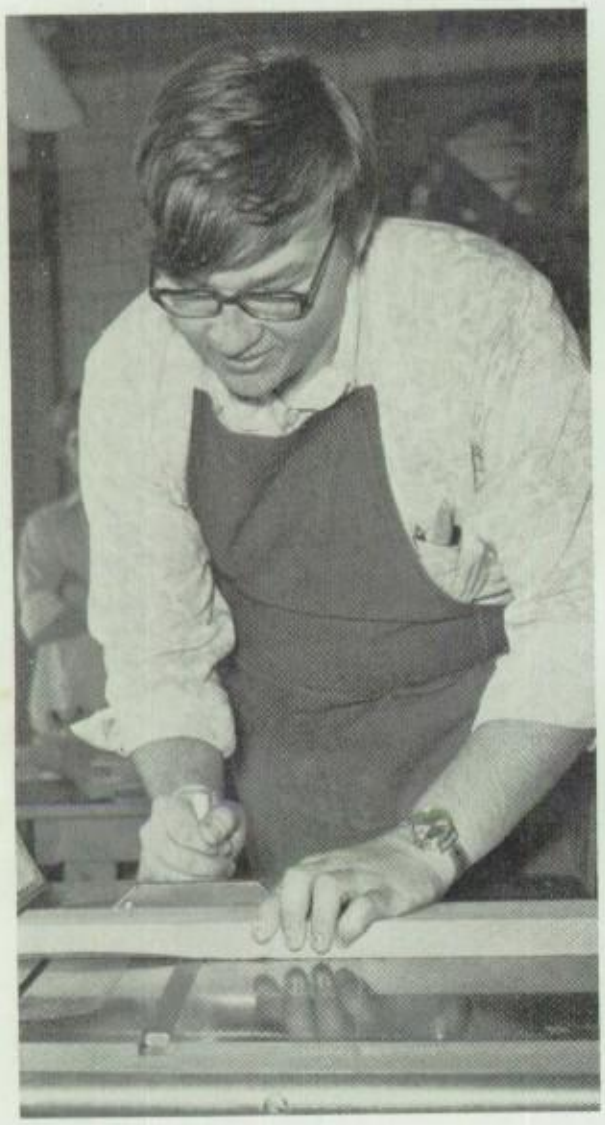
Home Economics And Art

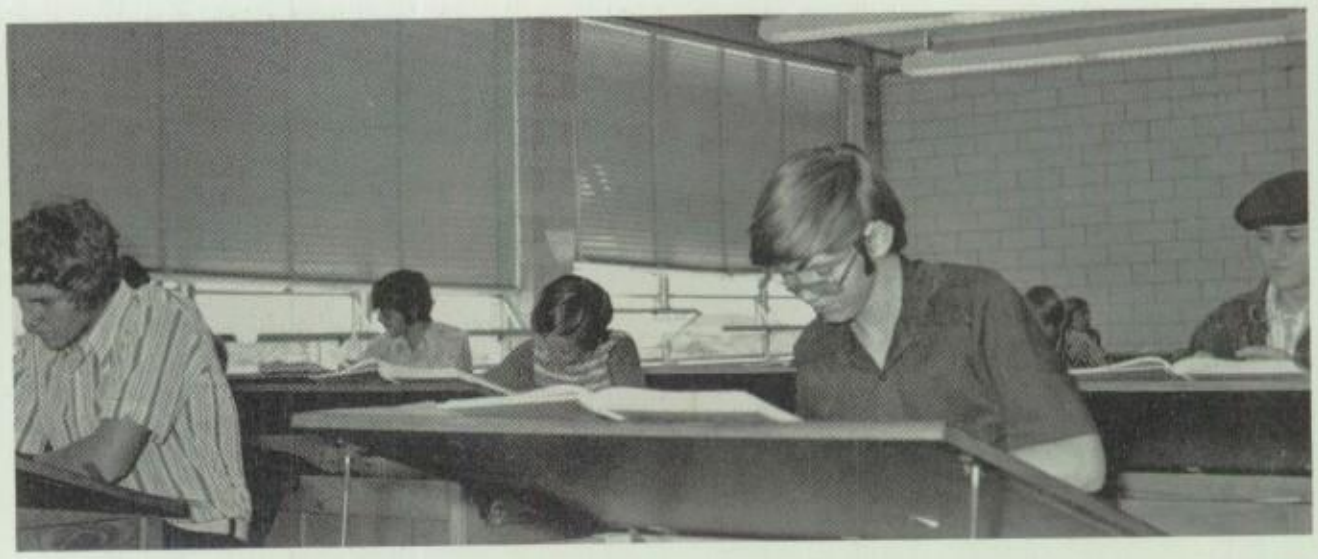
The Home Ec. Department was very busy this year with cooking, sewing, and helping girls to prepare themselves adquately to manage at home.

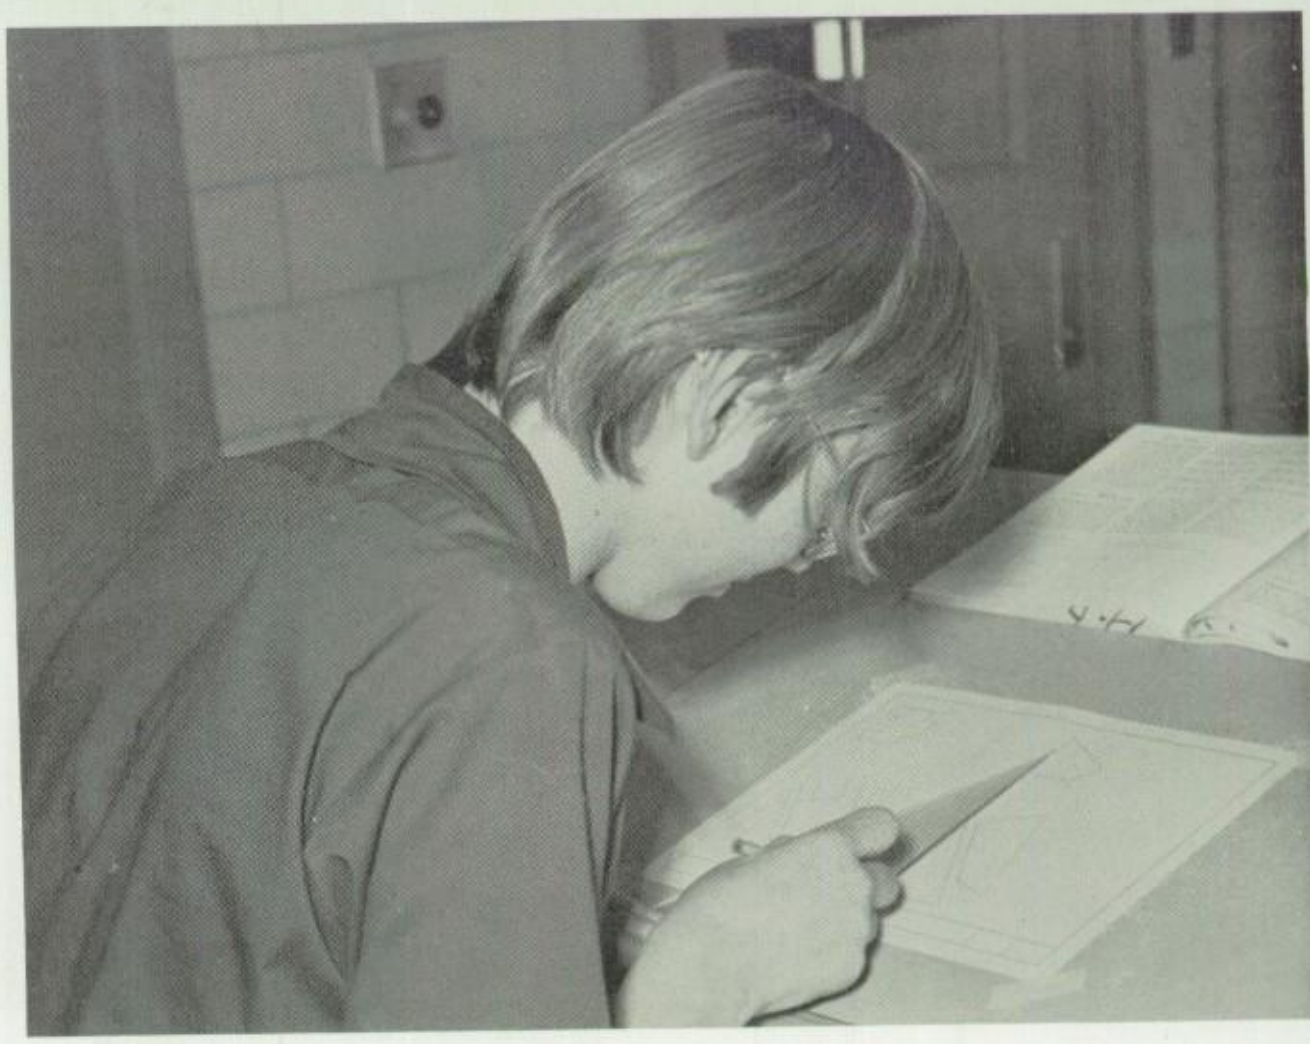
The art courses offered students a chance for creativeness and self-expression. The Art Department at Airline provided students with the facilities to express themselves in many phases of this subject. Students became skilled in painting, drawing, sculpting, and many other fundamentals.

Mechanical Drawing, Shop And Electronics

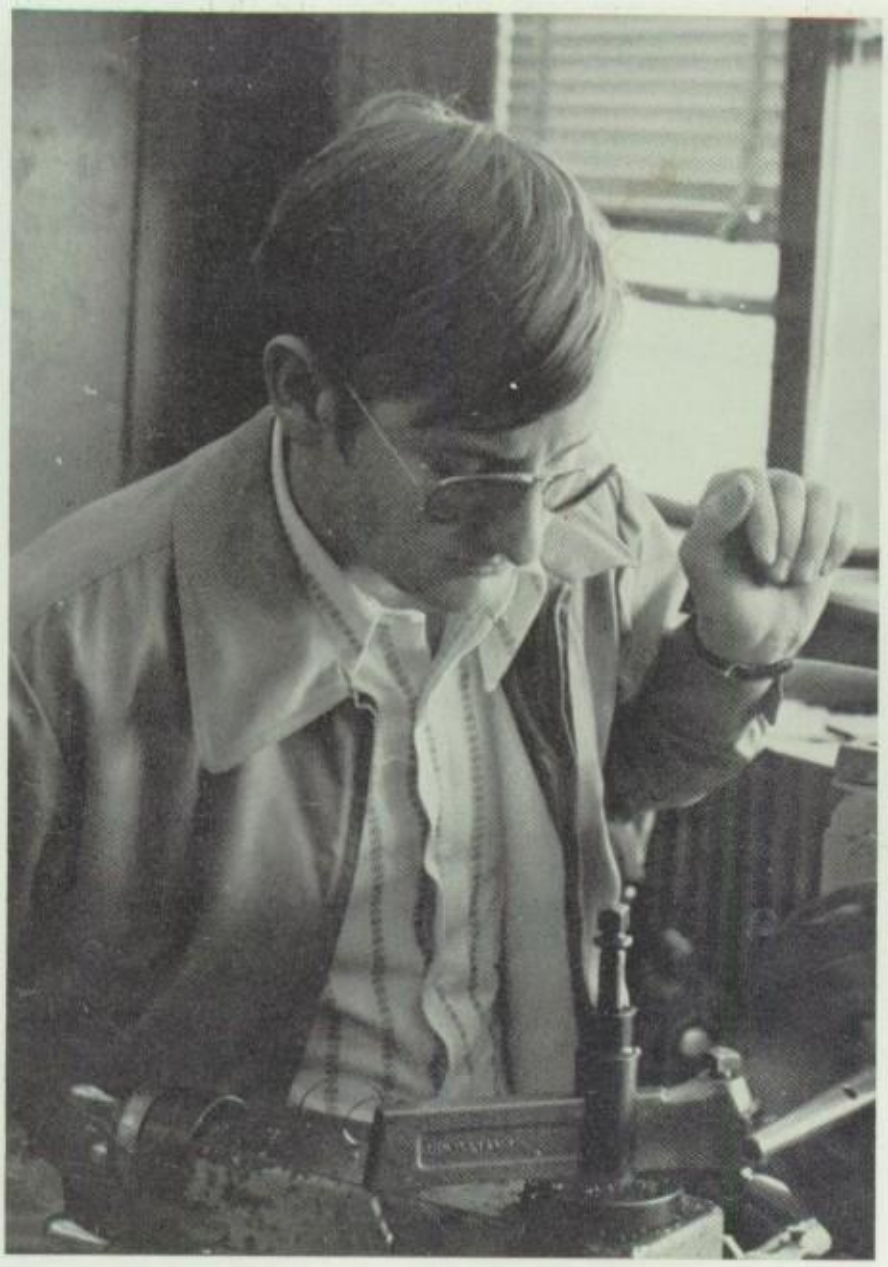
Mechanical drawing was a class offered for those interested in the field of work in architecture. Students learned skills in Shop on construction and woodworking. Electronics went into the study of teaching students technical engineering and other skills. These courses prepared men for engineering and architectural careers.







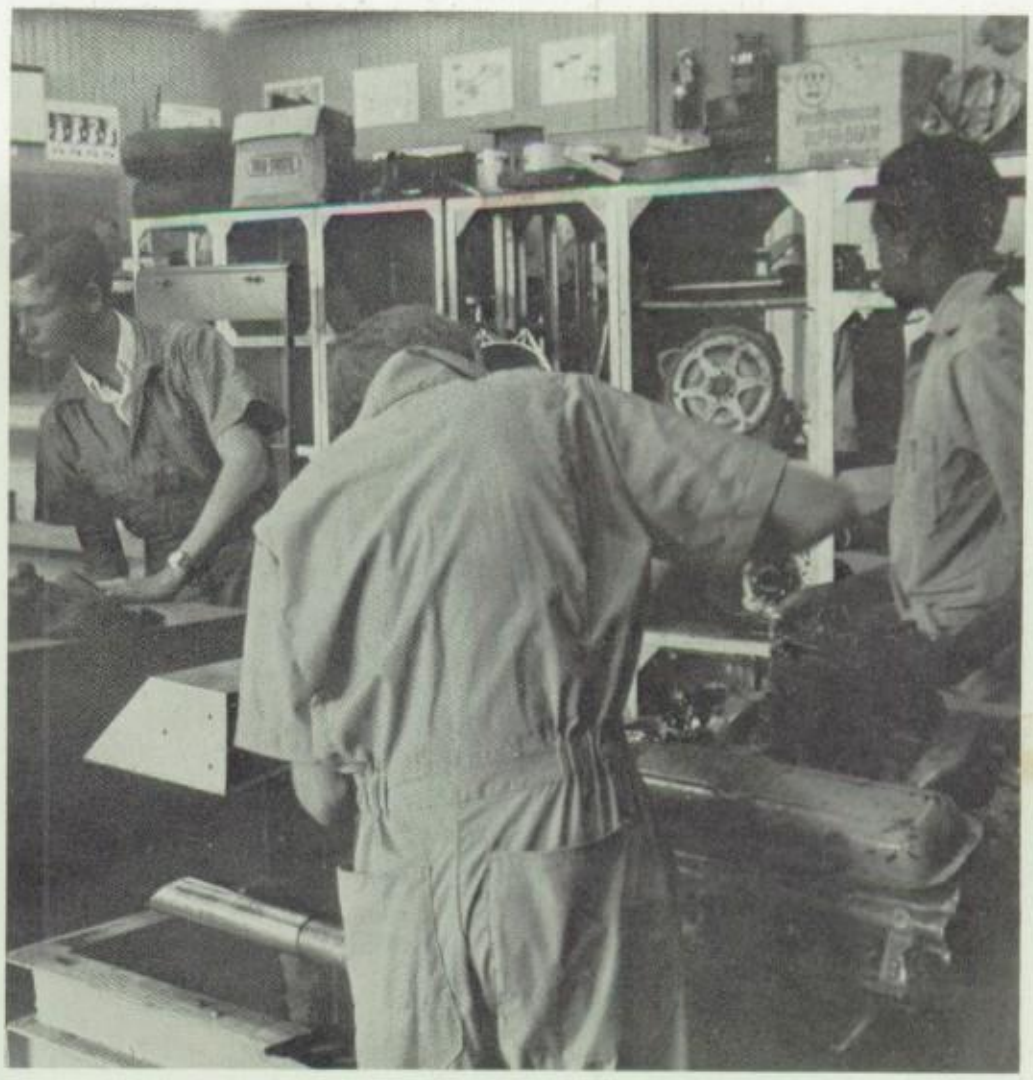
TOP RIGHT: Mr. Malmay explained the importance in woodwork. MIDDLE RIGHT: Mechanical drawing required lots of skill. MIDDLE LEFT: Mark Ponder demonstrated cross-cutting. BOTTOM: Robert Newberry worked on his architectural figures.



Skill Center

Skill center was a career building course set up for students who didn't plan on going to college.

The different types of courses included machine shop, where students learned to machine metal and work with powered precision tools; and small engines, which meant working with motorcycle, lawnmower, and other small engines. There was also auto mechanics and appliance repair. A cooking and sewing class could also be taken. All of these fundamentals were proved very useful to students for training for the years to come.



TOP LEFT: Carolyn Anderson practiced mixing in cooking. BOTTOM LEFT: Ken Elliot worked on an auto transmission. RIGHT: Students learned how to repair engines.

Homecoming 1974

Homecoming 1974 was a very special one. It marked Airline's Tenth Homecoming. In remembrance of this occasion the theme for Homecoming was "A Decade of Viking Valor." Also, the Student Council sponsored the Second Annual Homecoming Parade. Another special attraction was the return visit of some of the former Homecoming Queens.

Homecoming was held on Friday, October 5th. Airline's opponent for the evening was Bossier High School, our arch rival. The Homecoming Queen, Miss Kay Haynes, and her court were presented at halftime before a large audience. The maids and sweethearts were escorted by their fathers and outstanding Airline club members.

Who's Who At Airline High School In 1974

Being selected to Who's Who at Airline High School is indeed one of the greatest honors bestowed upon any senior. Each teacher nominates the senior or seniors who they believe best exemplify the qualities for membership. These nominees are then voted on by a group of teachers and chosen for membership based on their overall grade point average, leadership, and service to the school in their high school years. The seven recipients of this year's award were truly deserving of one of Airline's highest honors.

Organizations

Student Council

The Student Council was composed of four main officers, eight senators from each class, and representatives from each homeroom. This body was formed to give students a representation in the administration of the school.

The Student Council played an active role in most of the school's activities. The council participated in community service projects, such as a Turkey Raffle for retarded children and visiting the Pilgrim Manor at Christmas. Also, the council raised money from the selling of spirit links, Flower Hour, a spring carnival, and the school bookstore which was a new task taken on by the council this year. All of the above activities were carried out under the direction of the council's very capable sponsors, Miss McCallister and Mrs. Walden.

Valhalla Staff

This year, the Yearbook Staff was composed of thirteen people who worked hard to produce a yearbook worth remembering.

Each member of the staff must have a "B" average, recommendations of several teachers, and the approval of the sponsor, Mrs. Vicky Caldwell.

The staff was active throughout the year organizing and promoting yearbook sales, planning the annual beauty pageant, as well as trying to meet yearbook section deadlines. All these activities were done in an effort to produce a great 1974 VALHALLA.

Jeannette Hays was editor of the 1974 VALHALLA Staff.

Members of the VALHALLA Staff were, STANDING: Mrs. Caldwell, S. Wilson, J. Finck, G. Smith, B. Brinson, J. Hays, P. Leith, F

Askalada Staff

This year there were twenty-two members on the newspaper staff. To become a member of the newspaper staff one had a "B" average in English, an overall "C" average, a willingness to work, and the approval of the sponsor, Mrs. Smith.

This year the newspaper staff published approximately one paper per month. They were also in charge of selling Freshman Keys. The staff sponsored the Mr. and Miss Merry Christmas election, the Best All-Around Athletic Award, and the election of the Valentine Court.

DECA

The Distributive Education Clubs of America are becoming well-known all over the United States. Here at Airline, D.E. plays an important role, where there are fifty-one members under the direction of Mr. Ken Bass. The purpose of D.E. is for high school students to gain a better understanding of the fields of marketing and distribution, through a program of classroom instruction and on-the-job training. However, being a D.E. member doesn't mean all work and no play. The D.E. students participate in many school activities as well as their club activities. Activities undertaken this year by Airline's DECA chapter were the printing of a student directory, an employee appreciation banquet, collecting toys for the needy, and sending Christmas cards to homes for the aged.

FCA

Fellowship of Christian Athletes better known as FCA, is a national organization composed of high-school, college, and professional athletes, who all have two things in common — a great love for sports and a greater love for Christ. These boys strived to exemplify Christ by their words, and also by their actions, at all times, both on and off the playing field.

Their meetings were held before school with sponsor Coach Walden and captain Mike Barnard conducting it. Most times at these meetings they also had a guest speaker.

One of the highlights last summer was the National FCA conference held in Black Mountain, North Carolina which was attended this past year by nine Airline athletes.

FTA

Future Teachers of America is an organization for those who are interested or hope to make a profession of teaching. The organization has served the Airline faculty well this year in many ways. They served our faculty by periodically naming a teacher of the week and supplying treats for each individual teacher on various holidays or special occasion.

As for Community services they participated in the March of Dimes and the United Fund. For the students they joined with the Leo Club to present a Teacher Talent Show, which proved a big success.

Drama Club

The purpose of the Dramatics Club is to provide an opportunity for its members to develop skill in acting, directing, and producing plays; and to enable its members to cultivate an interest in and appreciation for the dramatic arts by attending community as well as professional theatrical productions. This year the Airline Dramatics Club attended various plays at local professional or community playhouses, as often as possible.

January 24 of this past year they helped with the production of the musical play, "Oklahoma" by co-sponsoring it.

The officers for this year were as follows: Laurie Evans, President; Harold Hubbard, vice-president; Linda McKnight, Secretary; Bonnie Outlaw, Treasurer and Laura Mosley, Activities Chairman.

CODAC

CODAC (Community Organization for Drug Abuse Control) was a real success this year as it had 115 members. It was taught in five different area schools with a team-captain for each school. Last year Jeannette Hays was elected as outstanding teen-counselor of the Airline CODAC program and served this year as the head-captain for Airline. To become a teen-counselor one must have obtained at least a 2.0 grade point average and have gained a recommendation from at least one Airline High School faculty member. One must be ready and willing to work with the smaller children and not be associated with drugs.

Ecology Club

This was the first year for the Ecology Club at Airline. It was founded by Cindy Freshour and Dianne Beers, who both served as officers this year.

The main purpose of the club was to conduct a beautification program on campus so that the students of Airline might take more pride in the appearance of their school. They also initiated some clean-up campaigns in the community, such as picking up trash along the main streets of Bossier City.

The club only had one requirement for membership and that was that they were willing to work.

Cheerleaders

This year at Airline we had eight high-spirited cheerleaders. They were under the supervision of Mrs. Babers. The cheerleaders kept the spirit high by planning pep rallies, spirit breakfasts, and other spirit-building projects during the year. Keeping a 2.5 average, having participated in band or pep squad one full year, and attending a cheerleader clinic were the requirements the girls had to keep to be a cheerleader.

RIGHT: Mrs. Babers, cheerleader sponsor, and Cathy Smith, head cheerleader, discussed plans for a pep rally. The cheerleaders did a high-kick routine, sang the traditional Alma Mater, and did a pom pom routine to "Smoke On the Water."

The Airline Band

Under the leadership of Dr. Douglas Peterson, the Airline High School Band completed a decade of its fine talent and outstanding performances.

The band had a full active year which included many hours of practice during the school term. Besides marching great half-time shows at the football games, the Viking Band played for pep rallies, parades, community affairs and won first place in the Veterans Day Parade. The Airline Band also represented Louisiana in "The Festival of States" in St. Petersburg, Florida.

AFJROTC

The AFJROTC completed its second year at Airline High School this year. The ROTC program has been one of Airline's most outstanding organizations. This organization helps each member academically and at the same time works on extracurricular activities.

The AFJROTC Drill Team was appreciated very much this year. Their marching routines at pregame exercises added a new tradition to Airline's history. The ROTC program also added many new girl cadets to its ranks.

Many worthwhile projects occupied the time of all ROTC members. The selling of ceramic Vikings, cheerleaders, and football players was their main project. Other projects included car washes and helping the Optimist Club while selling Christmas trees.

Athletics

Airline Had Good Tenth Year

Airline kept the winning tradition in 1973, with a 7-3 record. There were many doubts at the beginning of the season on what kind of season the Vikings would have. With only one returning starter, inexperienced juniors and seniors took up the slack with constant spirit and hustle. Airline displayed a balanced running and passing game along with one of the toughest defenses in Airline History.

The Viking season started with 4 straight wins, defeating Jesuit, Haughton, Natchitoches, and Woodlawn. Airline then lost to Bossier by 2 points, almost eliminating the Vikings hopes for the playoffs. With injuries plaguing the Vikings all year long, Airline went on to finish the season beating Green Oakes, Southwood, and Parkway and losing tough games to Fair Park and Captain Shreve.

Airline finished third in their new district 2-AAAA, leaving many bright spots for a promising '74 season.

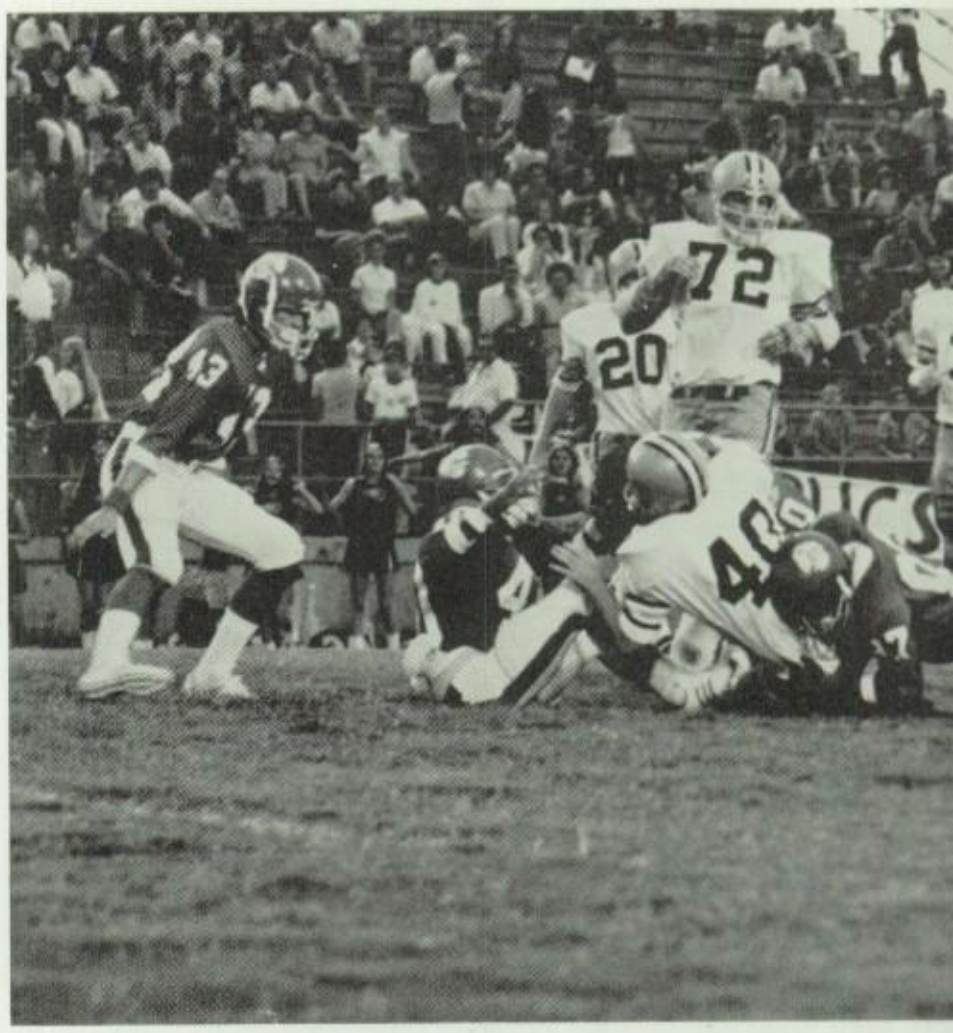
Vikes Edged Flyers

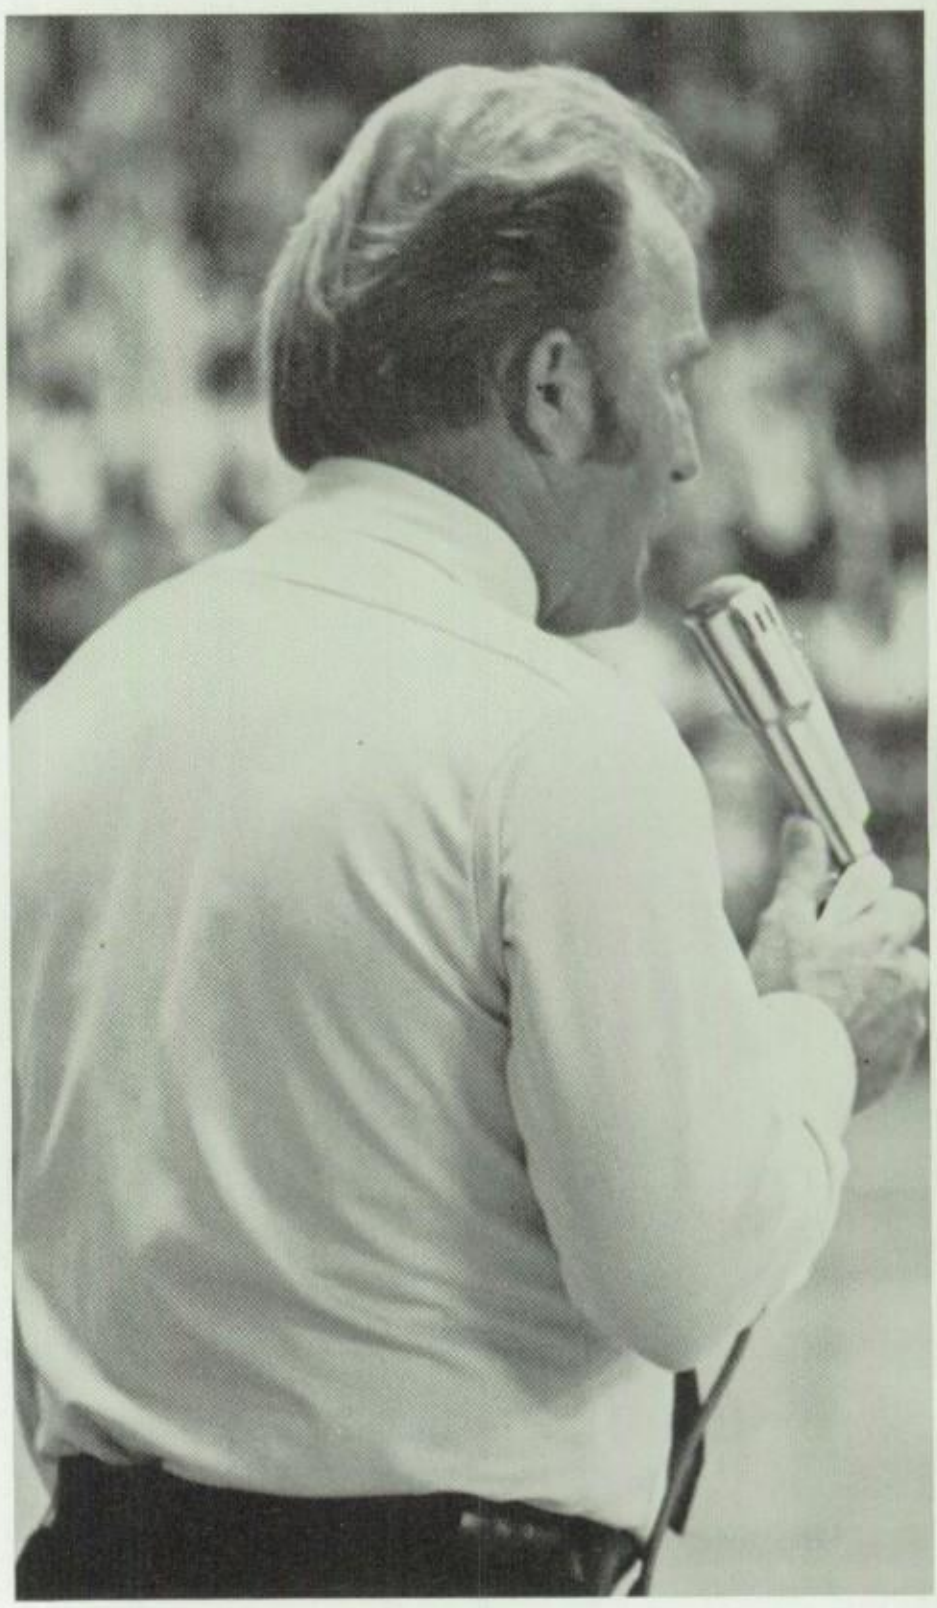
The Vikings started their 1973 season squeezing by Jesuit. After a stale first half, the Vikings came alive to record a 6 to 3 victory.

Airline was slowed down in the first half by costly mistakes. The Vikings offense could gain no momentum in the first half with one drive being stopped on the goal line. The Viking defense held tight throughout the first half allowing only 3 points to the Flyers. At halftime the Vikings found themselves trailing 3 to 0.

The Viking offense sprang to life in the second half. Airline set up many long drives, but errors allowed the Vikes only 6 points on a 7 yard scamper by Gil Smith. Dave White aided the drive with two clutch passes. The 6 to 3 margin proved to be enough as the Viking defense shut off all Jesuit scoring attempts in the second half.

The victory marked the 11th consecutive win for the Vikings in Airline Stadium.





TOP: A. Anderson is brought down after a large gain. BOTTOM LEFT: G. Smith makes good yardage. RIGHT BOTTOM: Coach Ray talked at a pep rally.

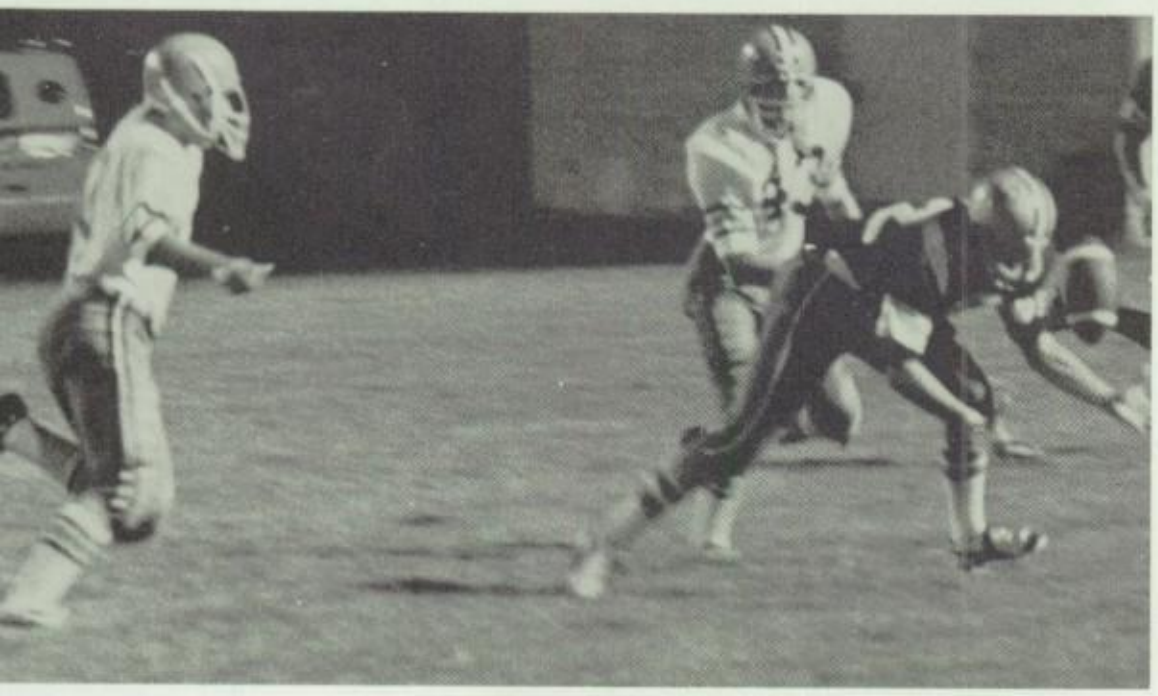
Airline Sinks Bucs

Airline found themselves pitted against a tough Haughton team in their second game. As the game ended the Vikes proved to be tougher, winning 15 to 0.

The Vikings offense overpowered the Buc's defense with a potent ground game and Andy Anderson gaining 144 yards. The tough Airline defense held Haughton in check all night long.

A 57 yard run by Andy Anderson set up a 24 yard field goal by Mickey Morgan. This was the second three-pointer in Airline's history. David White tossed an 8 yard touchdown pass to Dave Madden ending the first half scoring. As the Vikes headed to the locker room they were in control of the game 9 to 0.

The Vikings momentum carried over into the second half with Airline's Lane Guillory scoring on a 12 yard run to end the scoring. The rest of the night belonged to the Airline defense, which sacked Haughton's quarterback 6 times. The Airline defense shut out the Buc's and have yielded only 3 points in their first two games.



MIDDLE LEFT: D. Dunlop made the catch. MIDDLE: A. Anderson shakes off a tackler. MIDDLE RIGHT: D. Madden scored. BOTTOM: Airline's defense converged on the play.

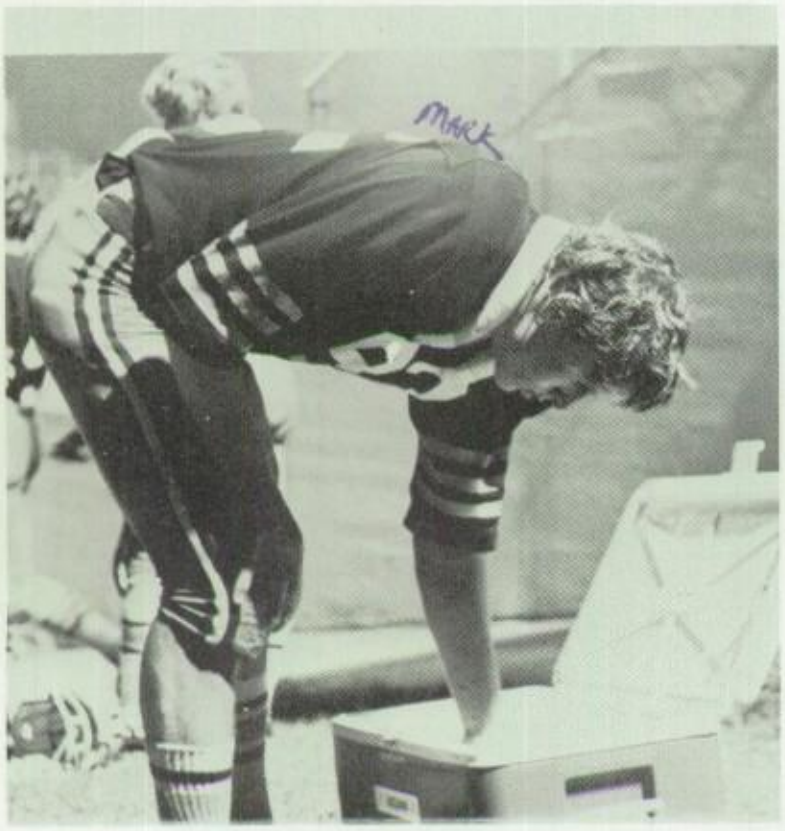
Chiefs Were Tough

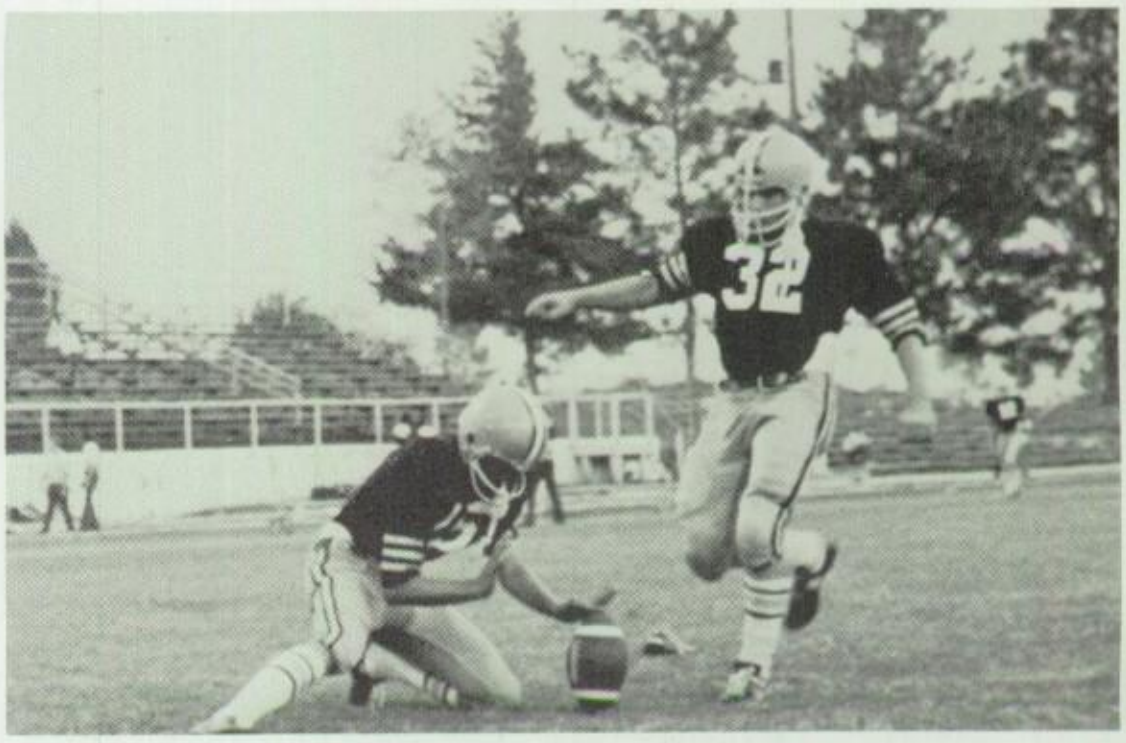
Airline opened play in their new district nipping the Natchitoches Chiefs 6 to 0 in Northwestern Stadium.

The Vikings committed 8 fumbles losing 6, which kept the score down. The Airline offense would start many drives only to be stopped by errors or penalties. The Airline defense controlled the Chiefs all night, many times defending within their own 20 yard line.

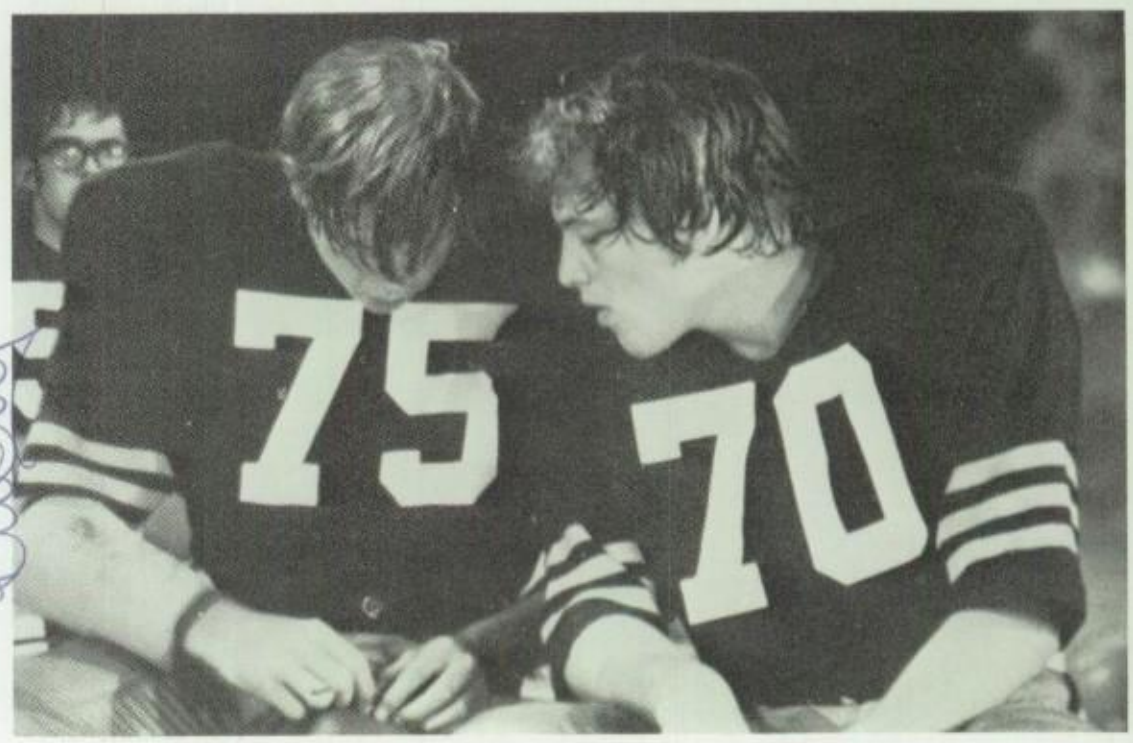
The game's only score came in the first half on a halfback pass from Andy Anderson to David Dunlop. The 24 yard toss proved to be enough with the defense again getting a shutout. The Viking defense has allowed only 3 points in its first 3 games of the season.

Airline went into the fourth week of the season against Woodlawn with a 3 and 0 record.





TOP: J. Calwell at halftime. MIDDLE LEFT: M. Opperman got some ice at halftime. MIDDLE: M. Morgan kicked, M. Dooley held. BOTTOM: R. Craig and R. Mitchell discussed the game.

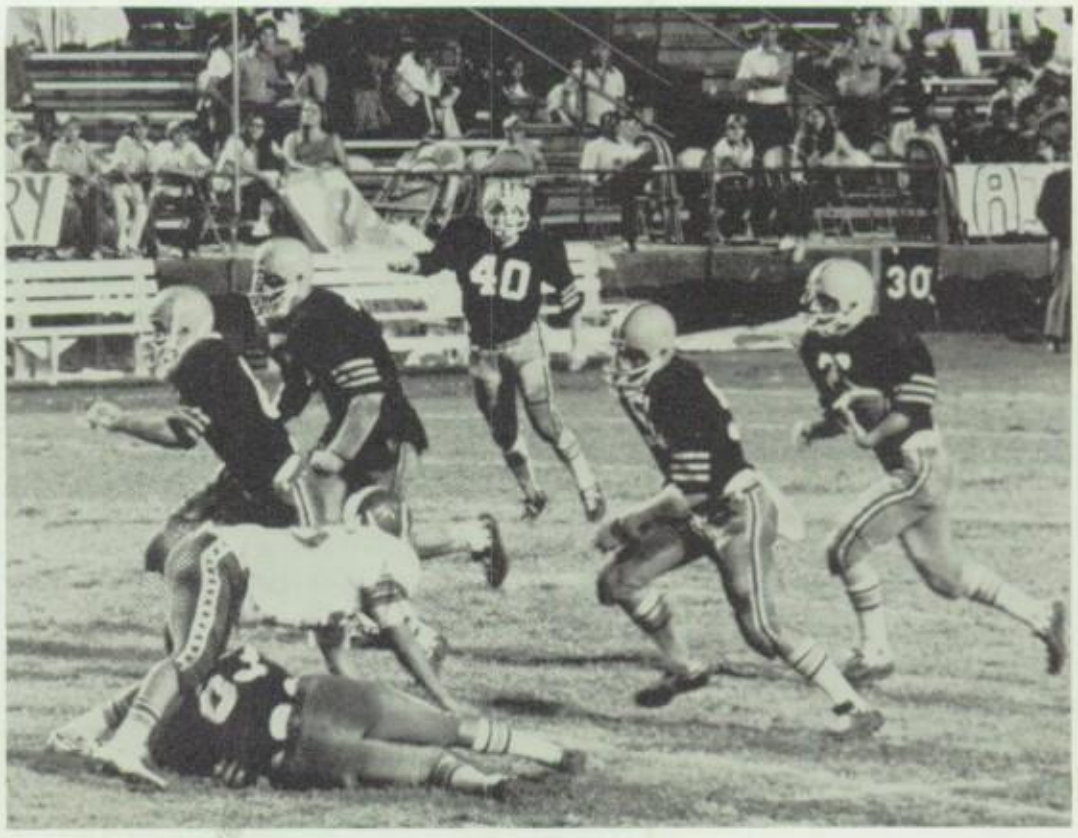


Airline Downs Woodlawn

Airline kept the Viking tradition alive by downing Woodlawn for the fifth year in a row. The 7 to 0 score was closer than the game indicated with Airline dominating the contest.

Throughout the first half Airline drove into Woodlawn's territory giving up the ball inside the twenty two times. The Vikings gained over 300 yards against the Knights, but only managed to put seven points on the board. The score came with only one minute left in the game on a 12 yard sweep by Andy Anderson. The Vike's defense once again held tough, allowing no points and having allowed less than a point a game so far in the season.

Airline was left with a 4 and 0 record tying the record at Airline for consecutive wins at the beginning of the season. The upcoming week matched Airline against Bossier, also 4 and 0, to be played as Airline's Homecoming.



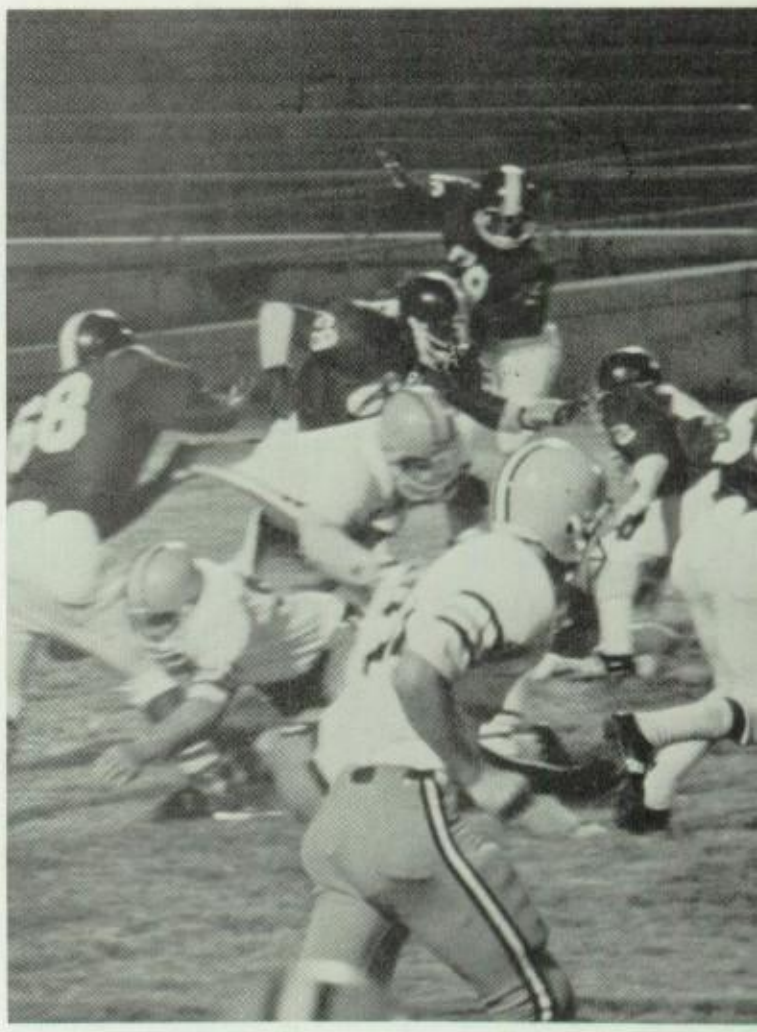
TOP: Coach Redding watched the game. MIDDLE LEFT: A. Anderson ran down the ball carrier. MIDDLE RIGHT: Airline's offense moved downfield. BOTTOM: D. Dunlop moved in to make the tackle.

Vikes Tripped By Kats

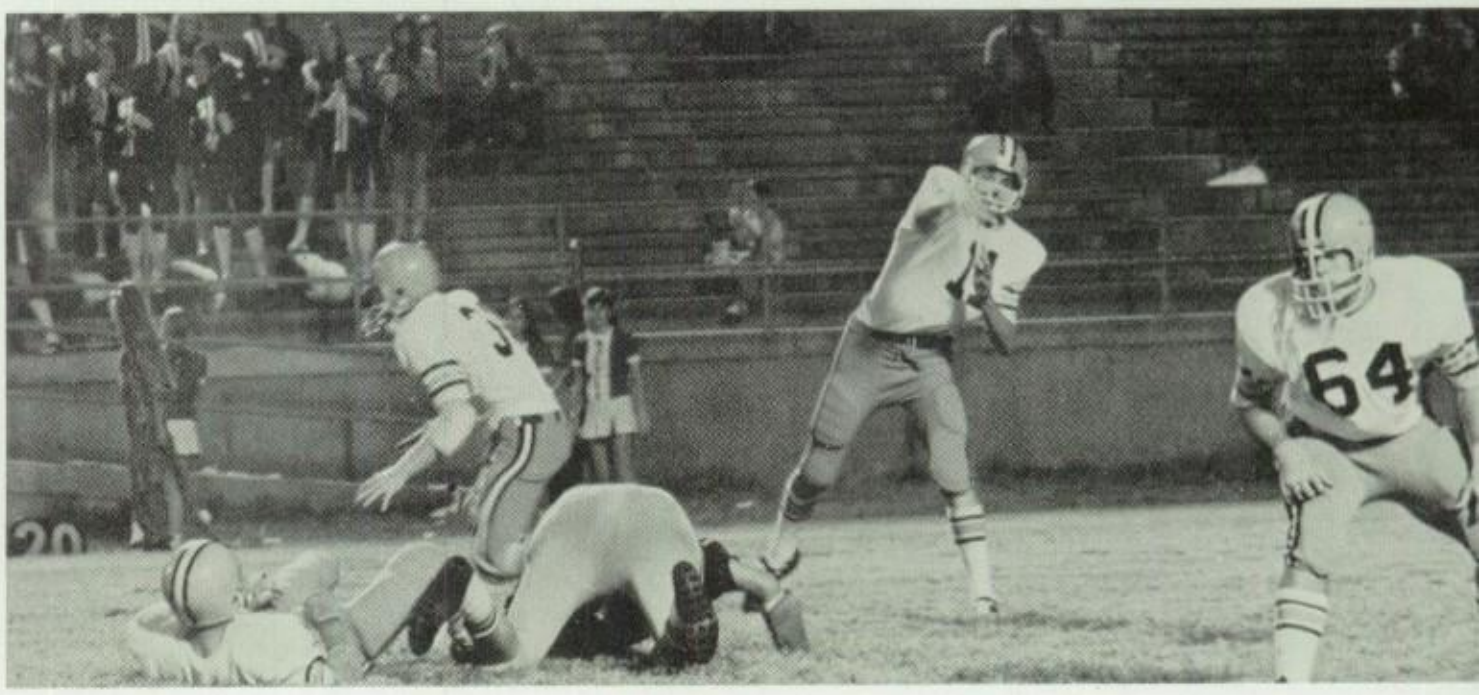
Airline fans were treated to a gloomy Homecoming as the Vikes lost their first game of the season to Bossier. The first half proved to be fatal to the Vikings as Bossier led 10-0. Airline came on strong in the second half with two scores but needed more, losing 17-15.

Bossier dominated the first half as the uninspired Airline team could generate little offense or defense. A touchdown and field goal gave Bossier the 10 point margin at the half. The second half started off slow for the Vikings with no scoring in the third quarter. Airline's first points came on a 62 yard punt return by Andy Anderson. Bossier came back and scored 7 taking advantage of an interception. With only six minutes remaining in the game, Airline put together a long drive, ending with a Dave White to Dave Madden touchdown pass. On Airline's next and final possession a fumble stopped the fired-up Vikings drive and ended the game.

The loss lowered Airline's record to 4-1, with a district game against Green Oakes the following week.



TOP: L. Guillory broke away from the line. MIDDLE LEFT: The Airline offense lined up. MIDDLE RIGHT: D. White connected with A. Anderson. BOTTOM: The Airline offense protected D. White.



Vikes Bombed Green Oakes

Airline romped over Green Oakes in the first meeting of the two teams in Airline's history. The contest remained close throughout the first half with Airline running up an 8 point lead. Airline's offense broke loose in the second half, providing a 30 point total. As the final gun sounded, the Viking defense, playing superbly, had another shutout making it a 30 to 0 Viking win.

Airline's main offensive weapon was Lane Guillory, gaining 132 yards and scoring 10 points. The Viking's first score was a 4-yard dive by Lane Guillory. The 2 point conversion gave Airline an 8 to 0 edge at the half. Dave White came out throwing in the second half, with two touchdown passes of 18 and 6 yards to Dave Madden and John Finck. Airline's final score came on a 16 yard halfback pass from Gil Smith to Dave Dunlop. The tough Viking defense snubbed out all Giant scoring attempts giving the Vike's 4 shutouts for the season.

The district win gave Airline a 2-1 district and 5-1 overall record.

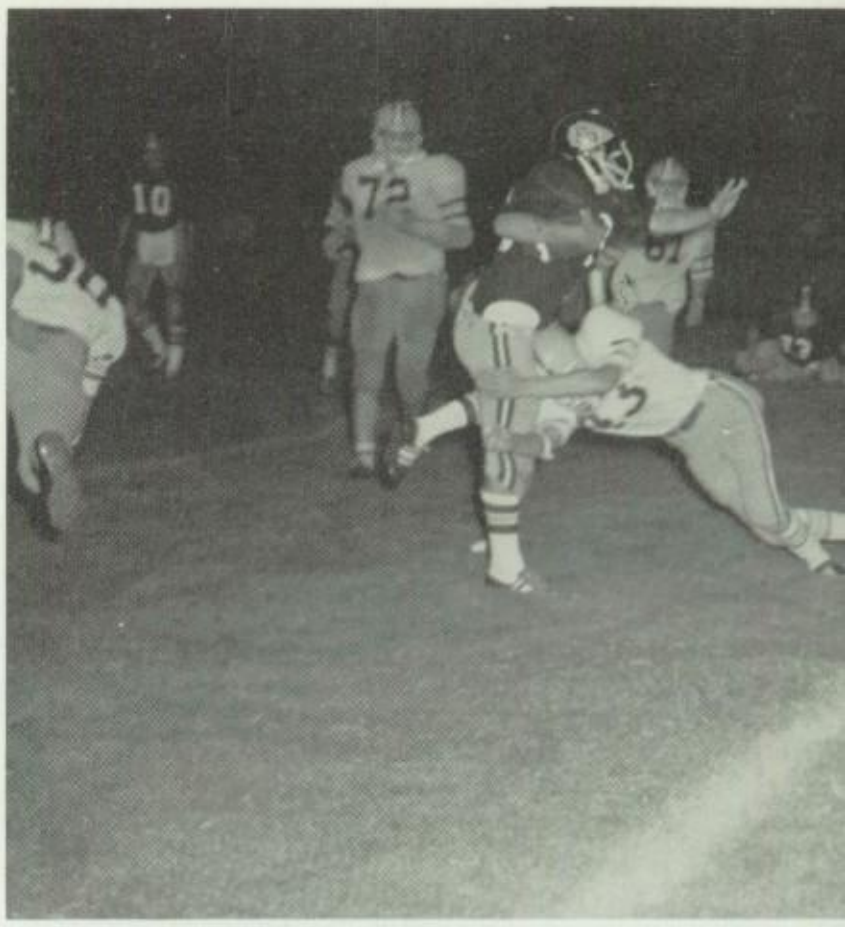
MIDDLE RIGHT: Airline took the field. BOTTOM: Coaches were introduced at the pep rally.

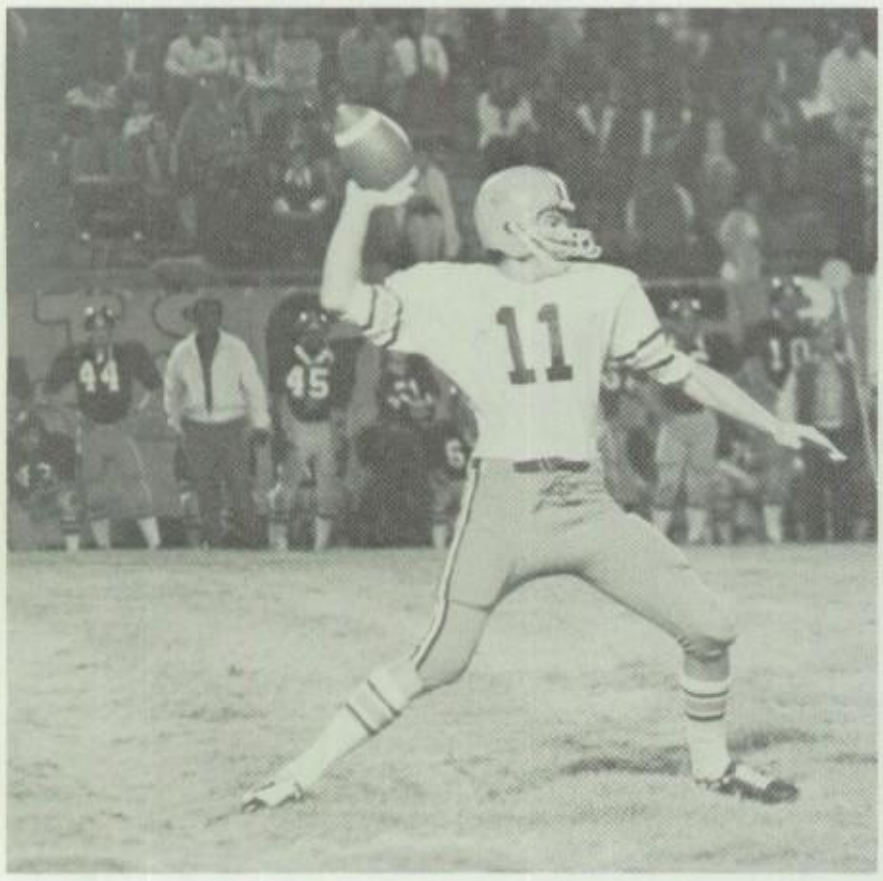
Indians Scalped Airline

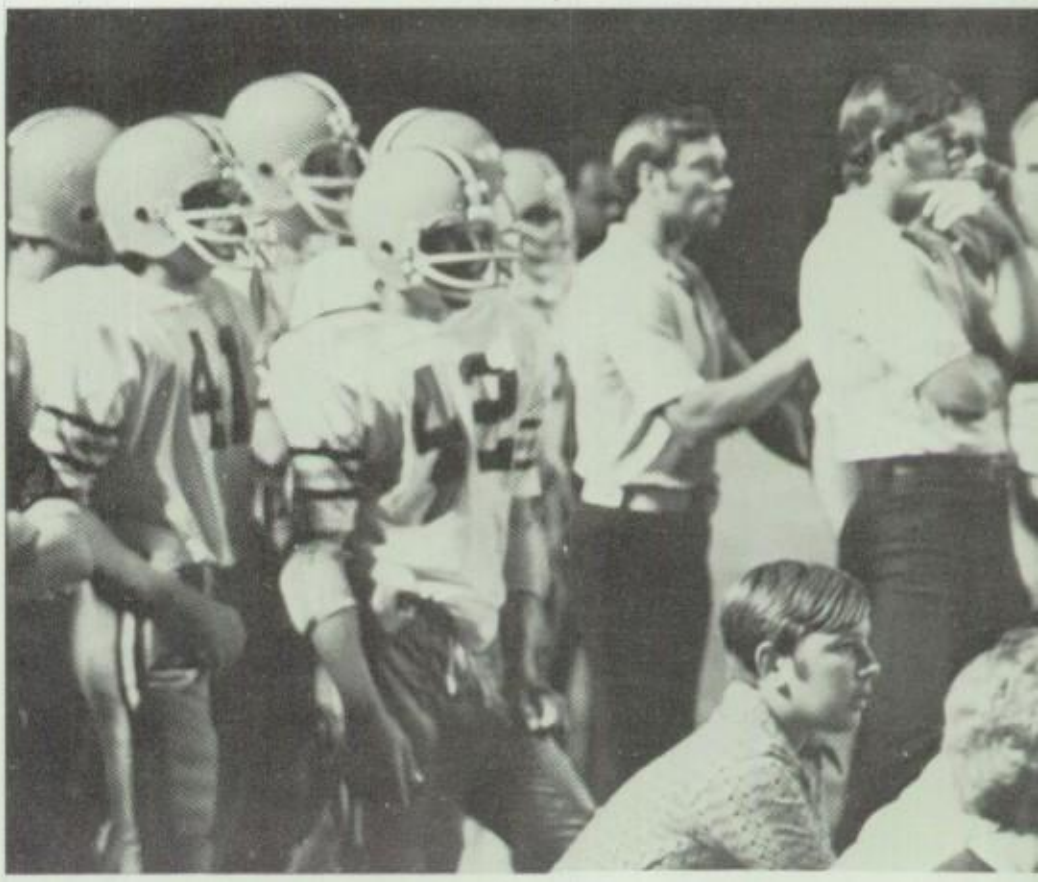
A fierce passing game in the second half by Fair Park pushed the Indians by the Vikings 34-14. Airline's defense had an outstanding first half, but the constant drive of Fair Park broke the game open for the Indians in the second half.

Airline's two scores resulted from two outstanding defensive plays in the first half. An interception and 35 yard return by Andy Anderson put 7 points on the board for Airline in the second quarter. Then, seconds before the first half ended Bob Carter picked off an Indian pass and returned it 94 yards giving Airline a 14-0 lead at the half. In the second half the Viking offense failed to gain momentum and the strain on the defense took effect.

Airline's record stood at 5-2 after the seventh week of the season. The upcoming week brought Southwood with Airline having many key injuries.







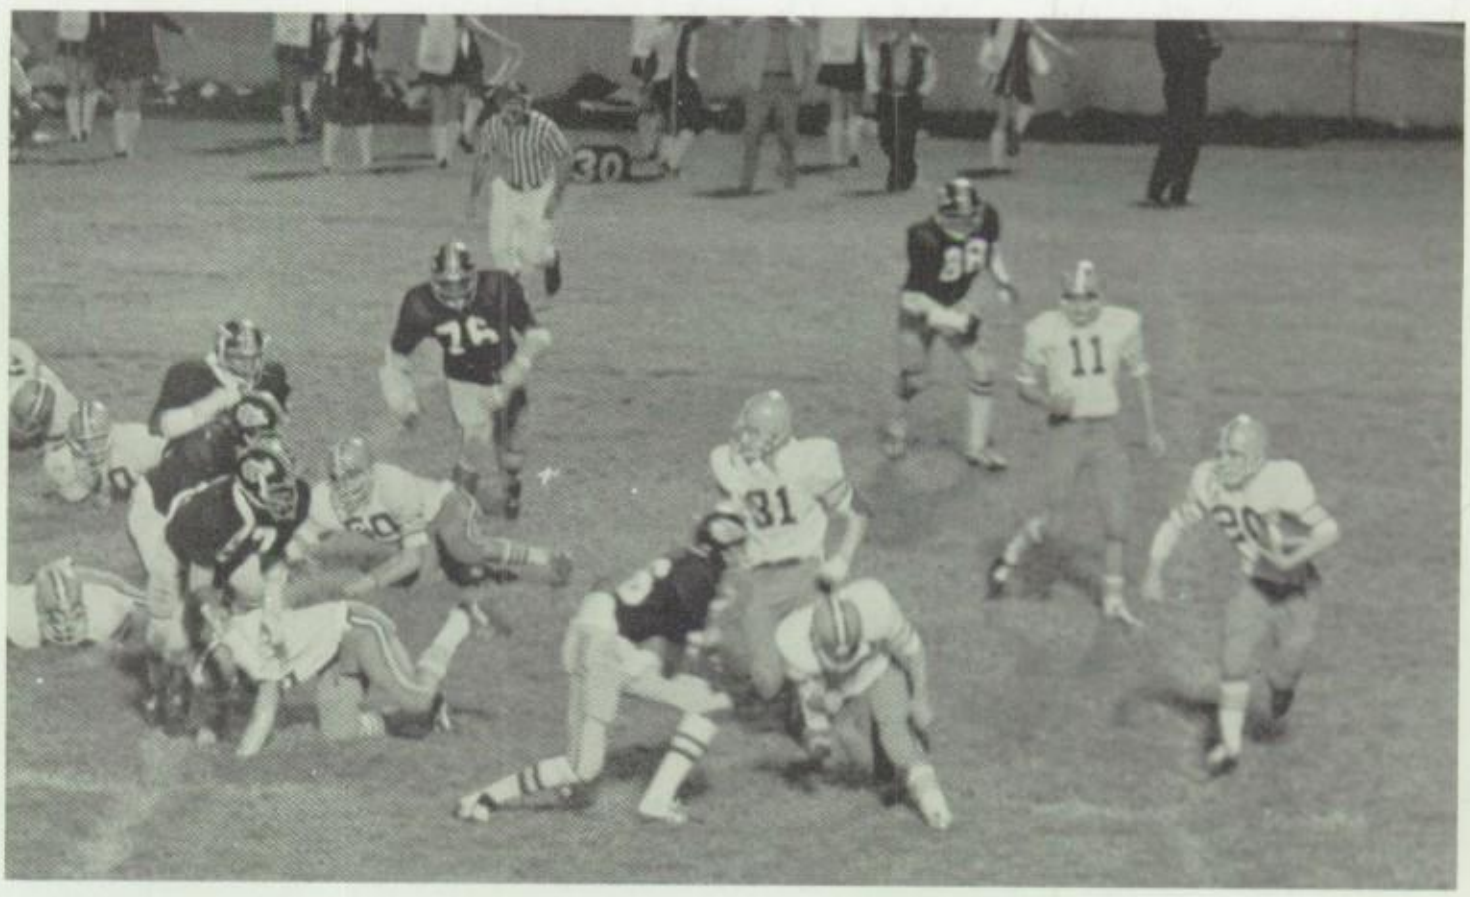
TOP: D. Patrick stopped the game. MIDDLE LEFT: D. White cocked back to throw. MIDDLE RIGHT: Coaches discussed the game along the sidelines. BOTTOM LEFT: D. Madden made a good play. BOTTOM RIGHT: R. Cade recovered a fumble.

Airline Ropes Cowboys

An injury-plagued Viking team remained tough on the field with Southwood to take a close 7-6 victory. Many new faces in the Airline lineup showed up due to injuries.

The only scoring in the game by both teams occurred in the second quarter. Southwood drew first blood, taking advantage of a fumble on Airline's 5 yard line. The big play of the game happened when defensive end Mark Opperman blocked the extra point attempt of Southwood. Trailing 6-0, the Airline offense drove down the field for Airline's only score, on a 3 yard dive by Lane Guillory. The second half was controlled by Airline's defense, stalemating the Cowboys the whole half. The injury-riddled Viking offense could sustain no drives, but the one point lead proved to be enough.

Airline's record now stood at 6-2 and the district game against Parkway upcoming.



ABOVE: L. Guillory swept the end. BOTTOM: D. Madden practiced punting.

Airline Cages Panthers

The Vikings came to life after an uninspired first half to claim a 21-6 win over Parkway. Airline was held to a draw during the first half 6-6, but came on strong the last two quarters.

Taking advantage of a short punt, Parkway opened the scoring, but failed to convert the extra point. The Viking offense put together a drive ending with a 21 yard touchdown pass from D. White to D. Madden. With the extra point attempt failing, the half ended in a 6-6 tie. With a new spirit found at halftime, the Vikings scored the first two times the ball was in their possession. L. Guillory drove across the goal from 6 yards out for one score and D. White hit D. Madden again, this time from 42 yards out for the final points. The Viking defense tightened up to hold Parkway scoreless in the second half and preserve the 21-6 victory.

With a record of 7-2, the Vikings were pitted against undefeated Capt. Shreve in the last week of the season.

Vikes Beaten By Gators

The Vikings closed out the season losing a tough fought battle to the top-ranked Capt. Shreve Gators. Mistakes and the long bomb created a 28-0 loss, though the game was closer than the score indicated.

The Airline offense played well, gaining a lot of yardage, but could not score on any of the many times they got inside the Gators' 20. A fumble inside Airline's 20 set up one Shreve score. A long bomb and long punt return set up two more. Despite constant pressure, the Viking defense played well, stopping many Gator drives. Airline quarterback David White had a good night, picking apart the Gator defense for 172 passing yards.

Airline ended the season with a respectable 7 and 3 record.

Cagers Had Winning Season

Under the new management of Coach Miles Holladay, the Viking cagers attained a successful record of 19-16. Playing in the new district 2-AAAA, the Vikings compiled a 6-4 district record.

The young Vikes, with only one senior on the squad, combined hustle and determination to make up for diminutive size compared to other schools and inexperience to win games. The main thrust of the Airline attack consisted of senior John Secrest, juniors David Francis, David Whitehead, and Kenny Williams, sophomores Pat Givens, Billy Williams, and Leon Strange, and freshman Steve Kelly.

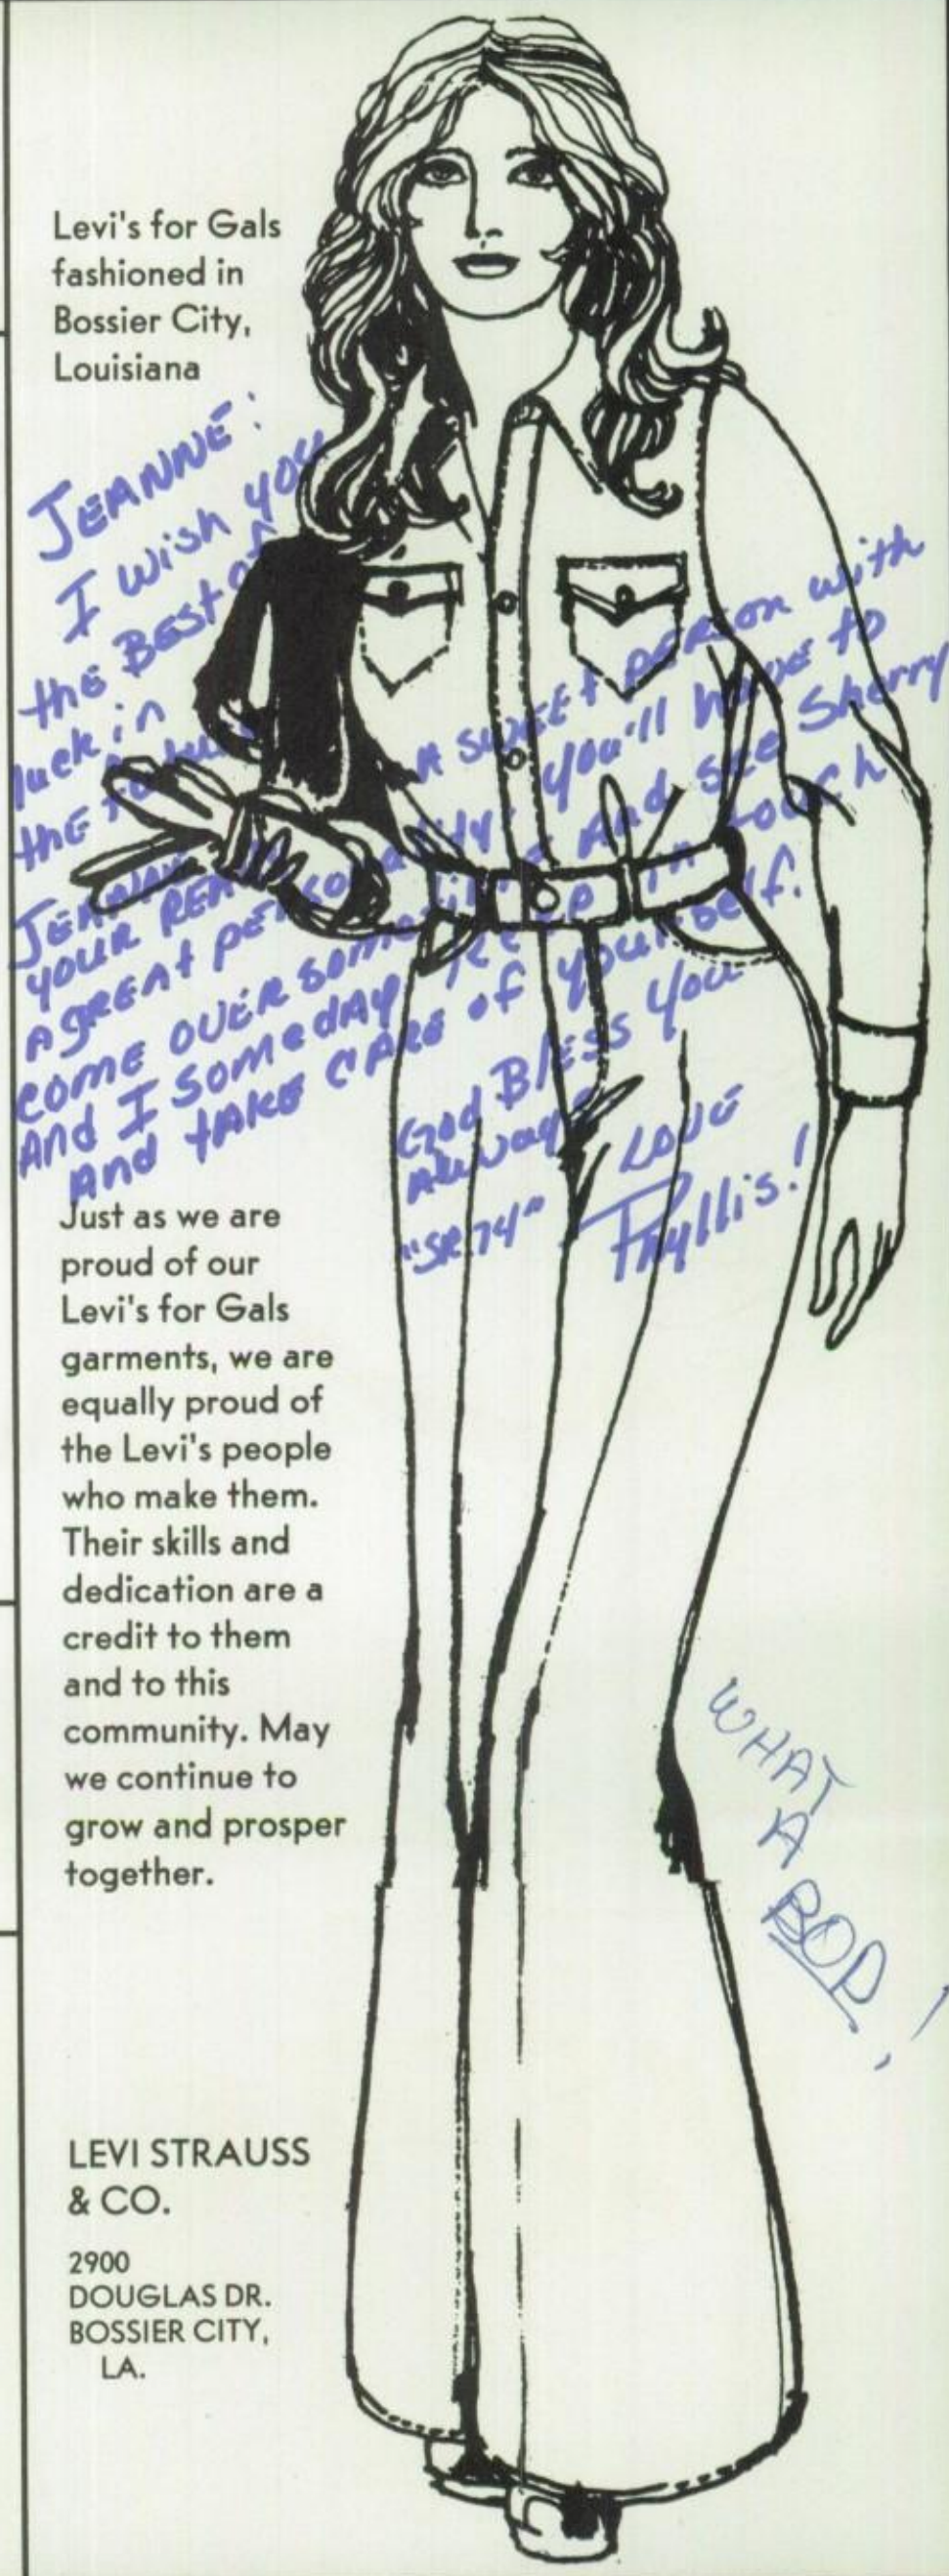
Levi's for Gals fashioned in Bossier City, Louisiana



Just as we are proud of our Levi's for Gals garments, we are equally proud of the Levi's people who make them. Their skills and dedication are a credit to them and to this community. May we continue to grow and prosper together.

Jeanne,
I can't believe that this year is over. It seems like just yesterday we were getting signed up for class! → BOLINGER → This year has really been fun. We have had so much fun together! I know we'll have a lot more! (At least I hope so!) It's really been fantastic over the years.
Stay Great!

Dear Jeane,

It's been a really great year and all that stuff people put in yearbooks. You're really a great friend, and your cute, and you've got some other kind of personality that keeps on working. We gotta all get together again like we did that night at Pam's. {REMEMBER THAT}. Come over this summer and we'll do something and get into trouble. I hope I see you a lot this summer, stay cute and up the good works. You're one of my cutest friends, and I love it. Bye.

Luff ya,
Angie Sr. '76

Jeanne,
I've known you ever since the 6th grade and every year you get more beautiful. I'm looks and personality. I wish you a lot of luck in life.
Patti '76

Jeanne,
I don't especially like this place to write but it's about the only one left. I'm sorry about all those times we made you feel bad, cause you've got to have more personal feelings for people than anyone I know, you're as sweet as you can be.
I LOVE YA
Dean

Jeanne, you've been really neat to have in chemistry. I'm glad that I got to know you. Stay just like you are & you'll always be a success.
P.S. Hope to see you in Reno sometime.

Jeanne, Remember in the 8th grade when we had our group. Well your a sweet person. We've been through alot together and I wish that we could go down to Cathys this summer. See you in land next year. Tell me when Cathy comes down because I'd like to get to know her again. See you this summer.

"TC" Love Ya Always Bobby Fein

Jeanne,

Well it's been a pleasure knowing you all these years. I can't believe this year has already past. You were a good majorette. Even though I didn't see you so much this year I hope we're still friends. Call me & come see me when Cathy comes this summer. Be good & stay sweet. God Bless. Luv ya, Kathy Arlington

Jeanne,

We really have had fun this year as majorettes. I like marching you and were had many great times together. I'm sorry that we haven't been closer friends. Both during school and out of school but hopefully we will be this summer and next year. Good luck always. Stay cool, but keep out of trouble.

Love ya,

Jackie

Jeanne,
It is been fun. We raised some kind of ---- but it was fun any way. I know I was always getting mad but I just wanted us to be great. Keep up the good work, you're a great ~~stock~~ bowler & good luck on your outs. Be good and God Bless.

Jeanne Renae,

We've really become good friends this year and I hope we'll always remain friends. We've sure gone through a lot this year. You've been someone I could talk to, laugh at and share "good times" with. Your dumbness never will cease to amaze me. Remember Baton Rouge and St. Petersburg? Coke in the hair, geritol, my griping, crying at the contest, talking in the bathroom, sand in the towel, my messiness, Bill's kiss + Kathy's griping all made it worthwhile. I feel I've become a part of your family because I'm at your house so much. So much has happened this year. Remember riding around the night at my house after the beauty contest, all the parties, Waynes house + the card games, all the extra meals I ate at your house, your neighbors (I.D.) night, your baby sitting, both of our "great" driving ability (home from Wayne's house), + the stupid mistakes we both made. So much has happened. You are really one of the best friends I've ever had. Sweet, kind, and considerate. I'll always remember you. Don't ever change.
